Academic Outreach will be hosting its first LIVE DE Student Forum on Tuesday, March 31st from 8:00pm – 9:30pm. Topics that will be featured are financial aid and career services. Please Save the Date on your calendars now.

For the exciting details, [click here](#) to watch our commercial that is taped on ECU's Virtual World campus in Second Life.

Please [go here](#) to visit our web page that has all the information you will need to participate.

If you are going to take part in the forum, please send an email to wilsonki@ecu.edu with a simple "yes" as a reply by Friday, March 27. This will give us an estimated number on how many students plan to participate.

We are hosting the forum via Centra, a web conferencing tool. If you have attended a class via Centra, you are good to go. If not, please go to our webpage and follow the instructions for the Centra System Check and the Centra Test Site. This will allow you to join the session.

We are looking forward to the 31st.
