

## **DROP POLICY**

A student may drop/add classes during the first five days of a regular term (fall/spring) with no penalty. After that, a student must use a "drop" during the drop period. After the drop period ends, drops are prohibited. Entering freshmen receive 4 drops; sophomores receive 3; juniors receive 2; and seniors receive 1 to use throughout their entire time at ECU.

Dropping a class may have an impact on financial aid. For further general information on this topic see *Financial Aid*; for specific information, the student should contact the Financial Aid office directly.
