Admitted Student Checklist

Do your admitted transfer students have questions about their next steps to becoming a Pirate? If so, please have them visit our Admitted Transfer Student Checklist to view a complete list of items that they will need to complete prior to attending ECU in the fall.

New Event for Admitted Students

On Saturday, March 28th, the entire campus community will be all hands on deck for our Pirates Aboard! Admitted Student Day.

This full-day event will include sessions that provide admitted students with the opportunity to learn more about their intended major; campus tours; lunch in one of our many on campus dining options; tours of our residence halls; and updates from a variety of different departments across campus including financial aid, housing, dining, and student life.

Registration is by invitation only. Admitted students will receive registration information in their personal (non-ECU) email, as well as a postcard invitation.

For additional details visit the event webpage.

NOTE: This admitted student event replaces ECU’s Spring Open House. For students who are not yet ready to apply for summer or fall 2015 admission should plan to attend a regularly scheduled transfer student information session and tour.

IMPORTANT DATES

April 15th Transfer application deadline for summer 2015 admission

May 1st Transfer application deadline for fall 2015 admission

May & June Transfer student orientation sessions (on campus)

August 24th Fall 2015 semester classes begin

Late August 2016 application open for all terms

Please visit our website at www.ecu.edu/admissions for details about these and additional dates.
Transfer Tour Visits
Prospective transfer students are invited to visit our campus and take part in one of many special information sessions designed just for transfer students, each followed by a walking tour of our beautiful campus. Students may register via www.ecu.edu/admissions/visit.cfm for the following dates: March 20th, April 17th, May 15th, and June 19th. Note: If you have a community college group that would like to visit and are not able to attend one of the above dates, please contact Erica Hoyt at hoyte@ecu.edu to make alternative arrangements.

Transfer Living Learning Community
QUEST is a transfer living learning community designed to promote transfer student success through academics, engagement, wellness, and leadership. This is an excellent opportunity for transfer students to have extra support as they transition to life on campus as a Pirate. Please refer your students to bit.ly/ecuquest for detailed information.

News Highlights
Scholarship. Discovery. Service. Leadership. These are the values of an ECU education. Below is a list of recent news stories that exemplify our values in action. More ECU news.

Promise to the public: ECU receives Carnegie classification for community engagement
In 2013-2014, more than 10,200 ECU students worked on projects through community-based learning, service learning internships and capstone courses. ECU has received higher education’s top honor for community engagement. Read more...

The art of peaceful revolution: ECU students construct, destroy Berlin Wall replica
ECU students marked the 25th anniversary of the fall of the Berlin Wall and the end of the Cold War by constructing and then tearing down a replica of the Berlin Wall. Read more...

Glass Door has released its annual 25 Best Jobs in America list. According to the report, the best jobs to have in 2015 are careers in tech, professional services and healthcare. ECU offers degrees to support those seeking careers in these areas. Read more...

Degree Explorer: Dynamic online tool showcases degrees offered at ECU
East Carolina University has recently launched a dynamic online tool that can help you and your students learn more about the 200+ degrees offered at the university. Read more...

Student Connections
Students are encouraged to create an online Admissions Portal account at www.ecu.edu/admissions. This portal is designed to help students personalize their admissions experience. Once created, students can: Apply for admission; Track their admission status; Receive information pertaining to their specific academic interests; and Sign up for tours and Open House events.
