The following resources are supported by ECU Career Services and the Office of Undergraduate Admissions to guide prospective students in career and academic major planning.

**Career Options**

**College Foundation of North Carolina (CFNC)**
A resource specific to North Carolina that provides tools to help learn about yourself through career assessments and explore occupational information.

**O*NET Online**
Developed under the sponsorship of U.S. Department of Labor/Employment and Training Administration, O*NET is the nation’s primary source of occupational information.

**Buzzfile**
This resource provides detailed lists of employers by major to help students explore career options related to specific academic programs.

**Major Options**

**ECU Degree Explorer**
This resource provides quick access to information that can help you make one of the most exciting choices of your life—your college major or graduate degree program. We provide you a closer look at each of our degree programs, so you’ll be confident with the information you need to make a decision.

**What Can I Do with A Major In…?**
An exclusive ECU-specific resource that provides information on the variety of career options available for academic majors.
