*Placement exam or appropriate SAT score required for MATH 1065

**Suggest a culturally diverse (CD) course is chosen

***Number of free electives needed to graduate varies per student. Dependent on credit hours included in minor.

Students with limited CSCI experience may want to consider taking CSCI 1001. Note: Credit hours for this course cannot count towards a degree in CSCI.

Students must meet all prerequisites for each course or have written approval by the course instructor.

NOTE: Seeking advisement from an Academic Advisor is strongly encouraged. Call 252-328-9301 for appt.
