COMMITTEE: Faculty Welfare Committee

1. Membership (including ex-officio members).

2. Meeting Dates (including members present and members who contributed to committee action but were not present at the meeting).

   **September 13, 2012:** Rachel Roper (presiding chair), Christine Avenarius, Susan-Beck Frazier, John Dixon, Ken Ferguson, Eric Horsman, John Howard, Amanda Klein, Linda Crane-Mitchell, Karen Mulcahy, Lisa Sutton. Others in attendance: Mark Sprague (Chair of the Faculty), Lori Lee (Secretary of the Faculty Senate).

3. **Subcommittees established during the year** (including progress and/or completion of work):

   **Campus Childcare Facility Subcommittee.** Established September 13, 2012. Members: Christine Avenarius, Linda Crane-Mitchell, John Dixon. Charged to investigate the status of efforts to provide childcare facilities on campus for faculty. The subcommittee received the previous child care report (2007) from Mark Sprague, studied the cost, demand, and feasibility of providing childcare on campus, with regular reports of their findings to the Faculty Welfare Committee. The subcommittee recommended that the goal should be to establish a childcare program that will serve the entire Greenville community but will include a University teaching facility. The subcommittee also devised a 10-question survey to query the University faculty on the need and desirability of offering childcare facilities on campus to faculty with children in pre-school or kindergarten. The survey will be made available to the faculty in the Fall Semester, 2013. The subcommittee also raised the issue of whether the University should require students to pay an annual, $10.00 childcare fee.

   **Faculty Leave Policy Subcommittee.** Established September 13, 2012. Members: John Howard (subcommittee chair), Amanda Klein, Karen Mulcahy, Lisa Sutton. Charged to investigate the status of the current University faculty leave policy, with their findings presented at regular meetings of the Faculty Welfare Committee. The subcommittee recommended that the University faculty leave policy be made more flexible and more in harmony with FMLA regulations. Howard (chair) also advised that a provision be made for faculty to take leaves intermittently or on a reduced schedule instead of requiring that the entire leave be taken in a single block of time. Howard made a draft proposal with amendments, which received general agreement in FWC. Need input from legal and VCs.

   **Contingent Faculty in Governance Subcommittee.** Established April 11, 2013. Karen Mulcahy (chair and organizer). Charged with investigation of the limited role that contingent or fixed-term University faculty are permitted to play in governance of the University. Mulcahy is to develop this subcommittee during the summer (2013) and present her findings to the Faculty Welfare Committee in the Fall Semester, 2013. The Governance Committee will directly review this issue, but Faculty Welfare Committee will consider writing a letter of support to Faculty Governance on the issue.

Dr. Ron Strauss Executive Vice Provost UNC Chapel Hill, stated they regularly issue waivers. FWC sent policy to ECU Office of Equity and Diversity for input.

ix. Obtained permission from Marilyn Sheerer (Provost) to review, under conditions of confidentiality, University-compiled data on the gender distribution in units in terms of presence, tenure status, and rank.
