Attendance
I. Call to Order/Announcements

The meeting was called to order at 2:00 pm by Dr. Scemama, Chair. There were no packets or proposals to review, therefore the meeting focused on course substitution packets.

II. Substitution Packages (Jean-Luc Scemama)

After discussion of review procedures for the course substitution packages, the committee voted to approve the following motion: proposals will be approved as a whole after all proposals have been reviewed. Before the committee approves the proposals, a report to affected units will be generated and sent to the units by Dr. Flint's office, Institutional Planning and Accreditation. The following substitution packets were submitted to the UCC submission email and were reviewed.

Athletic Training, BS: Program will not be taught after next year. There will not be any substitutions.

BFA Art: No substitutions greater than 20.

BFA in Art Education: No substitutions greater than 10

Environmental Health, BS: Proposal submitted acceptable

Public Health Studies: Still required: revision of total hours for Community Health and Worksite concentrations
Interior Design and Merchandising (two degree titles: Interior Design and Fashion Merchandising and Consumer Studies): The UCC Committee needs to review the spreadsheet that identifies the necessary substitutions. D. Coltraine will follow up about the spreadsheet and the correct catalog pages.

Recreation and Park Management: The UCC needs the spreadsheet of substitutions prior to completing review. This request does not fit within the update and review of course substitutions.

Recreation Therapy: Submitted a list of additional options for "choose 6 hrs." Follow up is needed. This request does not fit within the update and review of course substitutions.

Mathematics, BS: No substitutions greater than 20
