We would like to see full packet of info that CLCE took to Awards Committee.

1- Do we want to try for this year? Ceremony is in April. Start it next year

Make sure that there is an agenda item for SL Award on each SL Committee meeting to keep up with progress of SL Award.

2- Should include faculty members (and SL Univ Committee members). 4-5 faculty members, and 2 or 3 from SL Univ Committee, and members of CLCE.

3-Is this an award from CLCE (student affairs) or is it a Faculty Senate award that is parallel to other teaching awards? Through CLCE or Center for Faculty Excellence?
