

**TEACHING GRANTS COMMITTEE**  
**Information on 2015/2016 Teaching Grant Proposal**

The purpose of these grants is to support new innovative and/or creative teaching approaches with aims to improve instruction at the University.

Full time tenured, tenure-track, and fixed term faculty members are eligible to apply for these grants. The Committee's evaluation criteria are included below. To view previously funded proposals, please go to the Teaching Grants committee website (under the Faculty Senate website) at: <http://www.ecu.edu/cs-acad/fsonline/tg/teachinggrants.cfm>.

**Application Process**

Each grant proposal must include the application form signed by the applicant and the Chairperson (or Dean, as appropriate) of any unit involved.

Submit 2 signed, print copies of the original application form (p. 4), proposal, and checklist (p. 7) to the Teaching Grants Committee, c/o Faculty Senate Office, 140 Rawl Annex and **one electronic copy in PDF format** to [faculty senate@ecu.edu](mailto:faculty senate@ecu.edu) by the deadline of 12:00 noon on **Monday, November 10, 2014**. There is a blind review of the proposals, therefore, the applicant's name should be on the two signed copies of the original application form, proposal, and checklist **only**. The electronic copy should not include an application form or checklist, to ensure anonymity of the proposal.

NO PROPOSALS WILL BE ACCEPTED AFTER THIS DEADLINE.

**Completing the Application (p. 4)**

All items 1-10 must be completed and submitted together. For your convenience, there is a checklist of the required items included in these materials (p. 7). Grant applicants are asked to attach the proposal cover sheet and checklist only to the two signed print copies of the proposal. The electronic PDF copy should not include a cover sheet, signed application or checklist, in order to ensure anonymity.

Item 1: **Name**

Item 2: Indicate whether you are applying for a Summer Stipend Grant, or Project Expense Grant, or Dual Summer Stipend and Project Expense Grant. Indicate the amount requested for project expenses.

Item 3: **Proposal title**

Item 4: **School/Department/college**

Item 5: Because your proposal will be read by people from many disciplines, it should be clear and free of specialized terms. The electronic PDF copy will be used for review; therefore to ensure anonymity, the electronic copy should not include the signed application form or checklist.

(a) Proposal Title and Abstract (page 1)

Abstract should be between 100 and 200 words, should be written using non-technical language, and should indicate course number and title.

(b) Proposal Outline (pages 2-5)

The format of the proposal description must:

- Be no more than four 8 1/2 x 11" double-spaced pages with 1" margins on top bottom and both sides of each page. No proposal with a description over four pages in length will be considered.

- Use Microsoft, Times New Roman 12 type.

Include each of the following sections in your Teaching Grant proposal:

1. Purpose/Objective

The purpose of these grants is to support new innovative and/or creative instructional approaches with aims to improve teaching. Give specific objectives and student learning outcomes.

2. Project Description (Approach/Method/Procedure)

3. Need and Impact

The need and impact section should show the percentage of each relevant course that will be impacted, the level of the course, the normal size of the course, and how often the course will be taught. The course must have already been approved by all relevant committees. Applicants should seek Institutional Review Board (IRB) approval, if required (<http://www.ecu.edu/irb>). Make it obvious how the project will affect the applicant's teaching and student learning outcomes.

4. Schedule of Activities and Their Proposed Deadlines for the weeks of summer session 1. **Please provide a brief rationale as to why your proposal requires summer stipend (if applicable) or why the proposal cannot be accomplished during the regular semester.**

5. Evaluation Plan

Part of your evaluation plan should include a short list of questions that will be submitted to the students in impacted classes, and peer evaluations. Make your evaluation plan clear. Be specific as to what you intend to do to determine the effectiveness of your end product.

Item 6: Budget

Complete the attached proposed budget (p. 5) for the Project Expense Grant. Summer Stipends should NOT be included in the Budget. Attach a separate page (p. 6) to the budget that justifies and explains each line item requested. Travel requests must be directly related to the proposed project. Requests to attend regularly-held professional meetings or conferences should be thoroughly explained and justified. The proposed travel items may not replace or supplement academic-unit travel funds. List other sources for funding. Be specific on budget items. List to whom tuition or honoraria are to be paid, who is traveling where, how, and when, and your source of price estimates. Student wages are not an allowable expense. If not applicable please indicate by N/A.

Item 7: Appendices

- (a) List courses you teach and your scholarly interests that are relevant to this proposal. If you have release time or compensatory time applicable during the proposed project period, provide brief details.
- (b) List all proposal titles and dates of grants previously funded from the Committee.
- (c) If consultants are to be used in the Project Expense Grant, provide their credentials and your rationale for hiring them.
- (d) If project involves attending a workshop or seminar, attach a copy of the flyer or announcement.

Additional supporting materials and appendices are discouraged.

Item 8: Checklist

Attach this checklist to ensure that you have completed all the necessary items. **Since this is a blind review of the proposals, the applicant's name should only be on the 2 original application forms, proposals, and checklists.**

Item 9: Applicant's signature.

Item 10: Unit head signature.

### **Completing Other Documents**

Progress Report Attached is a copy of the report that will be completed by the faculty member at the conclusion of the grant period. This is not to be included in the proposal packet submitted to the committee.

The grantee must submit a report of the results of the project to the Teaching Grants Committee c/o Faculty Senate office, 140 Rawl Annex. Progress reports are due by September 15 of the next fiscal year. Progress reports from previous funded grants must be on file with the Committee before an additional application will be considered.

Evaluation This page is an example of what criteria will be used by the Committee to evaluate the grant proposal.

### **Proposals that will NOT be considered**

- Applications that are incomplete.
- Proposals that do not meet guidelines and format. This includes font size, line spacing, page limits and margins.
- Proposals for course revisions that should be expected as usual course maintenance.
- Proposals for course development that does not include innovative or creative approaches and/or falls within normal workload expectations.
- Proposals from an individual who has failed to carry out previously funded projects without adequate justification and timely notification to the Vice Chancellor for Academic Affairs or Vice Chancellor for Health Sciences.
- Proposals from an individual who has failed to submit a report due from a previously funded project.
- Proposals that develop a program handbook or recruitment materials.
- Proposals that are not directly related to improved instruction at the University.
- Proposals that have been submitted and funded in the same year by the Research/Creative Activity Grants Committee.
- Proposals submitted by grant recipients who have received funding for a Teaching Grant in previous year.
