### Readmission Under Forgiveness Policy

Former East Carolina University students who have not been enrolled at ECU for a minimum of three consecutive academic years (six semesters, summer sessions excluded) may request readmission under the Forgiveness Policy. Such requests must be submitted on the application for readmission according to application deadline dates as specified above.

Students who have been enrolled at another regionally accredited college or university since their last enrollment at East Carolina University must submit to the Office of Admissions official transcripts indicating that a minimum cumulative 2.5 average has been earned in all transferable courses attempted.

Subsequent East Carolina University-based GPAs of students readmitted under this policy will be computed without inclusion of previous course work in which a grade of **C- or below** was received; credit toward graduation will not be allowed for such course work.

Student should be aware, however, that all ECU grades, including those earned prior to readmission under the forgiveness policy, will be included in calculations for consideration for degrees with distinction.

A student may take advantage of the readmission under the Forgiveness Policy only one time. Those readmitted under this policy are on academic probation for the first 19 semester hours of attempted course work. At the end of the term in which the nineteenth semester hour is attempted, a minimum cumulative **2.0** average must have been earned at East Carolina University on all course work attempted since readmission under forgiveness. Failure to meet this stipulation will result in the student being ineligible, except for summer school, until such time as the **2.0** average is obtained.

Students should be aware that the Readmission under Forgiveness Policy is an ECU policy that is not recognized in the US Department of Education's calculation of financial aid eligibility. Students who plan to apply to or receive financial aid should contact the financial aid office. Cashier accounts must be cleared of any outstanding balance, if any, prior to registration for the term of readmission.

Students should also be aware that a substantial tuition surcharge may be applied in accordance with the rules established by the Board of Governors or other appropriate legislative body.
