Date: November 15, 2013

SUBJECT: Faculty Senate Resolution I3-90

I am holding action for further study for the following resolution, which was adopted by the Faculty Senate on November 5, 2013:

Faculty Senate Resolution I3-90

Course cap of 25 students per section for Writing Intensive (WI) courses

Further study is needed before any action is taken on this resolution. An analysis that includes current enrollment in Writing Intensive courses, the frequency of Writing Intensive courses that have over 25 students per section, and an inventory of Writing Intensive requirements at the program level would provide the administration essential information related to this resolution.
