Memorandum

To: Dr. Marianna Walker
Chair of the Faculty

From: Steve Ballard
Chancellor

Date: February 24, 2010

Subject: Faculty Senate Resolutions 10-02, 10-04, 10-05 and 10-01

I hereby approve the following two resolutions which were adopted by the Faculty Senate on January 26, 2010:

Faculty Senate Resolution 10-02

Request to move Media Production Program (including faculty, curriculum and students) from the School of Communication to the School of Art and Design

Faculty Senate Resolution 10-04

Curriculum matters contained in the December 10, 2009 University Curriculum Committee minutes

Faculty Senate Resolution 10-05

Proposed "Green Get to ECU Day"

I hereby approve Resolution 10-05 on the condition that the University Environment Committee will commit to do the work. If the University Environment Committee will initiate the program, Parking and Transportation may be better positioned in two years to expand the program as part of a larger transportation demand management program. This event should have joint implementation, led by the Chair of the Faculty and the Associate Vice Chancellor for Environmental Health and Campus Safety.

Faculty Senate Resolution 10-01

Formal faculty advice on the Proposed Administrative Gifts Affecting the Curriculum Policy

I acknowledge and greatly appreciate the advice of the Faculty Senate on the proposed policy on gifts affecting the curriculum. The final administrative regulation will consider the advice from many constituencies. I have delegated final development of this policy and implementation authority to the Academic Council.
