Memorandum of request to rename degree program

The Department of Recreation and Leisure Studies requests a graduate degree program name change from Master of Science in Recreation and Leisure Facilities and Services Administration (RLFSA) to Master of Science in Recreation and Park Administration (RPA). The current program name is cumbersome, confusing and has no basis within the field of recreation and leisure. The requested change would also make the new name more consistent with both our undergraduate program name, as well as with other similar programs throughout the state and nation.

Thank You for your consideration,

Hans Vogelsong

Department of Recreation and Leisure Studies Graduate program Director

Approvals:

<u>Date</u>	<u>Body</u>
<u>8/20/08</u>	Curriculum committee of dept/school in which the program is housed
<u>9/3/08</u>	Voting faculty of dept/school in which the program is housed
