**FACULTY OFFICERS NOMINATING COMMITTEE REPORT**  
Support for Course Release for Faculty Officers

- Whereas,** the Faculty Senate is a part of the Chancellor's division; and
- Whereas,** in recent years, ECU faculty members have relied heavily on faculty officers (Chair, Vice Chair, Secretary, and Parliamentarian) to represent their collective interests in discussions on a wide-range of academic and institutional policies and procedures; and
- Whereas,** this growing reliance requires faculty officers to be more involved in all aspects of shared governance, including membership on various academic, administrative, and ad hoc committees; and
- Whereas,** the time and energy faculty officers are expected to devote to University standing committees are in addition to the responsibilities for teaching, research, and service they owe their respective academic units; and
- Whereas,** the additional workload places a heavy service burden on those who are willing to serve in leadership roles; and
- Whereas,** currently the elected Chair of the Faculty is the only faculty leader to receive compensation in the form of a summer stipend and two course releases per academic year; and
- Whereas,** the elected Vice Chair of the Faculty and the elected Secretary of the Faculty and appointed Parliamentarian are not compensated for their additional duties outside of their individual academic units,
- Therefore Be It Resolved,** that the Faculty Senate supports offering additional compensation for the four faculty officer positions.
- Be It Further Resolved,** that the Faculty Senate requests that the Chancellor provides financial support from within the Chancellor's Division to offer compensation (i.e., at least one course release per semester) for all four faculty officer positions.
- Be It Further Resolved,** that this compensation for faculty officers will be provided regardless of the academic division in which they hold academic rank.

**NOMINATING COMMITTEE FOR FACULTY OFFICERS REPORT**  
Election of Faculty Officers

**Candidates for Chair of the Faculty**

**Mary Farwell, Department of Biology**

As a faculty member in Biology since 1994, I am pleased to be running for Chair of the Faculty. I was hired as Assistant Professor and was promoted to Associate and then Full in 2010. I have served on Faculty Senate committees continually since 1995, first on the Calendar Committee and later on the Research and Creative Activity Grants and Teaching Grants committees. When I first began my research career at ECU, because of equipment needs, I sought collaborators at Brody. Fortunately, I learned the benefits of collaboration early in my career. Since then, I have worked with faculty from nearly every college on various grant-funded research projects for STEM education and outreach, my current area of interest. I currently hold a 49% appointment in the Division of Research and Graduate Studies as Director of Undergraduate Research. In this role, I have a wide view of the campus and understand its strengths and its challenges. As a part-time administrator, I have been able to work well with the administration while remaining firmly grounded in the faculty. In this challenging next year, while we adjust to an interim provost and implement the findings of the University Committee on Fiscal Sustainability, it will be very important to have a Chair who understands the big picture. In this political climate, faculty voices are in danger of being silenced. I will strongly support the interests of faculty and work to keep the Faculty Senate a major force at ECU. Thank you for your vote.

**Andrew Morehead, Department of Chemistry**

I began my service to the ECU Faculty Senate filling a vacant slot on the Unit Code Screening Committee my second semester here. I have since served continuously on Senate committees—Governance, Foundations Curriculum and Instructional Effectiveness, and Athletics—and then as Vice-Chair of the Faculty for the last two years. I have also served on the Faculty Assembly, first as Secretary then Vice-Chair (chairing the Academic Resources and Student Success committees), and the General Education Council and Section Size Efficiencies workgroups for the UNC General Administration. I am running for Chair of the Faculty because I believe my significant experience with and commitment to shared governance will be invaluable when facing the unprecedented challenges before us. Critical issues facing the Faculty Senate include the faculty role in and response to recommendations of the PPC and UCFS. Shared governance mandates that faculty be included in the process and that procedures established in the faculty manual are followed during this time of fiscal hardship. Other important issues include general education assessment, faculty evaluation, gender/minority equity, and incorporating non-code unit academic programs into our system of shared governance. Finally, I am concerned about our difficulty in recruiting faculty members to participate in Senate committees and workgroups; we need to prioritize recruitment and mentoring of our future faculty leaders. If elected, I will work diligently on your behalf to address these and any other issues that come before us.

## **Candidates for Vice Chair of the Faculty**

### **Qin Ding, College of Technology and Computer Science**

It is an honor to be nominated for Vice Chair of the Faculty. I have worked in higher education for almost twenty years and have been a faculty member at ECU for seven years. I have had the privilege to serve on Faculty Senate for the past three years. I have served on many committees at the university, college, and departmental levels. Recently I served as the acting department chair in Computer Science. I was a recent graduate of the UNC Bridges Academic Leadership Program for Women, a recipient of the 2013 ECU Scholar Teacher Award, and have been on the STEM Girls leadership team for the past three years. All these experiences have helped me to understand the culture of the university from various perspectives and better prepare me to take on more leadership responsibilities. While serving on many committees in various roles, I have always strived to fulfill my responsibilities to the fullest and beyond. I have had the privilege to represent my colleagues to have their voices heard. I am a very open and collaborative person and have always been respectful to others. ECU is an institution that greatly values shared governance and promotes diversity. If I am elected as Vice Chair of the Faculty, I will continue to advocate for the faculty and closely work with other officers to better serve the faculty. Thank you for considering me for this opportunity.

### **Mike Felts, College of Health and Human Performance**

These experiences will inform my service to you as Vice Chair of the Faculty. During my 28-year tenure at the University I have served my department as Director of Graduate Studies (1992-2003), Director of the BS in Public Health Studies (2005-Present) and Interim Department Chair (2012–2013). I have chaired my College's Strategic Planning Committee and served on its Code Revision Committee. I have served on search committees for the HEP Chair and at least a dozen faculty positions. I have taught both hybrid and online courses for over a decade. At the University level I served five terms in the Faculty Senate and three terms as an alternate. Committee appointments have included the Faculty Welfare Committee (Vice-Chair), Hearing Committee, Research and Creative Activity Committee, Technology Committee, and the University Athletics Committee (Chair, Vice Chair, Secretary). As Chair of the Gender Equity Subcommittee of the UAC I spearheaded efforts resulting in construction of the Olympic sports complex. I currently serve on the Chancellor's Academic Success Committee for Athletics. I have served as an Alternate to the UNC Faculty Assembly and was a member of the system-wide Campus Safety Task Force charged with making recommendations regarding campus safety in the wake of the Virginia Tech shootings. Today's political and economic climate requires that the University clearly defines its unique role in the UNC system and the value it brings to North Carolina. I will work in a pragmatic, common-sense fashion with faculty, staff and the administration to help insure the University's future.

### **John Given, Department of Foreign Languages and Literatures**

After six years as Faculty Senator and one as Parliamentarian, I am honored to be nominated for Vice Chair. My extensive experience in campus leadership has prepared me well for this office. In academics, I am an academic advisor and director of the Classical Studies interdisciplinary program. I also sit on the Admissions and Retention Policies Committee and chair a workgroup for the Fostering Undergraduate Student Success initiative. My interest in employment and equity issues led me to volunteer for the Faculty Welfare Committee, to serve as my department's Personnel Committee chair, and to lead Senate efforts in protecting medical and parental leave. My greatest focus has been on finances. I have been a member of the Student Scholarships, Fellowships and Financial Aid Committee and two search committees in Administration & Finance. I chaired the University Budget Committee and now serve on the University Committee on Fiscal Sustainability. Our faculty leadership team needs someone with detailed knowledge of university finances. Faculty officers must

consistently advocate academic quality and faculty rights, and must do so with a lucid understanding of budgetary limitations and opportunities. I bring that expertise to the table, along with my broad leadership experience. I have established a reputation as a highly competent, reliable colleague. I strive to listen carefully, respect others and consider all sides of issues before proposing solutions. If elected, my priorities will include refocusing budgetary discussions to be more student-centric and improving fixed-term faculty rights and working conditions. Thank you for considering my candidacy.

## **Candidates for Secretary of the Faculty**

### **Kylie Dotson-Blake, College of Education**

Despite difficult economic hardships, it is important that East Carolina University continues to innovate and respond to evolving consumer expectations and economic realities. As changes and mandates become reality, faculty officers must honor ECU's history and recognize its critical role in promoting economic development in eastern NC. The potential for enhancing the development of our region and educational opportunities through the globalization of programs and curricula should also be explored by the university faculty and its officers. Critically, success in these areas depends upon shared governance and the inclusion of stakeholder voices in planning and decision-making. Faculty officers must cultivate and support an environment of respect and cohesive vision within the university community. The secretary is well-positioned to share information with faculty, promote transparency and foster collaboration. If elected to this position, I will strive to develop and sustain positive relationships among faculty, administration and stakeholders. The institutional knowledge I have gained as a faculty senator, Chair of the Service Learning Committee, and member of the Calendar Committee, along with my understanding of the region and local communities as a lifelong resident will help me assist the faculty and their officers in connecting our work with the university's strategic vision and stakeholder needs. I am committed to the importance of serving our institution and community, and I appreciate the nomination for Secretary of the Faculty.

### **Roger Russell, Health Sciences Library**

The decision to accept a nomination to run for the office of Secretary is based primarily on my strong beliefs in the value of shared governance at ECU and that active participation is required for shared governance to work. My career at ECU recently passed fifteen years, and during that time I have served two terms as a faculty senator for Laupus Library. I would like to build on these experiences to serve the university in a greater capacity and to better represent ECU Libraries. Recent changes in the governance of library faculty will require careful and engaged participation in faculty governance in order to move forward for the mutual benefit of not only library faculty, but also the faculty whom the libraries serve and the University as a whole. Finally, I believe that our current political atmosphere in North Carolina presents a great challenge for Education. It is my hope that by serving as Secretary, I can help ECU meet these challenges.

---
