NOMINATING COMMITTEE FOR FACULTY OFFICERS REPORT
Election of Faculty Officers

Candidates for Chair of the Faculty

Jeff Popke, Department of Geography, Planning and Environment

I am truly honored to stand as a candidate for Chair of the Faculty. I do so with great enthusiasm, and with a deep sense of responsibility to safeguard ECU's longstanding tradition of shared governance at a time of significant change. Over the coming years we will face both challenges and opportunities as we seek to respond to external pressures, and to make good on ambitious new plans to raise our national stature while maintaining our enduring commitments to student achievement and regional transformation. Now more than ever it will be vital to ensure a strong faculty voice—across both East and West campuses—in decisions that will shape the future trajectory of East Carolina University. I believe that my 20 years of experience at ECU have prepared me to be an effective advocate for the interests and values of our diverse faculty. In addition to six years as faculty senator, I have served on key senate committees—including Budget, Governance and EPPC—and I have significant experience with curriculum, graduate education, assessment, personnel, and SACS accreditation. As an officer this past year, I worked productively with the Academic Council, and I am confident that I can forge strong and collaborative relationships among the faculty officers, the administration, and other campus constituencies that are crucial to our institutional and student success. Should I be entrusted with that responsibility, I pledge to work tirelessly to ensure that our faculty remain, as we have always been, at the core of ECU's mission.

Donna Roberson, College of Nursing

With more than 50 years of shared governance, the ECU Faculty Senate is critical to the success of our faculty as we are pursuing teaching, scholarship and service. I believe service on the Faculty Senate has given me an opportunity to represent the College of Nursing to the Senate, but by also allowing me to bring discussion points and information that my fellow nursing colleagues need to address or review. As secretary to the Faculty this academic year, I have gained an enhanced understanding of the functions of the Senate officers. I have met even more of my fellow Senators and university leadership through this role. In the past, I have served on the Teaching Grants committee as both a member and chair, Parking and Transportation advisory committee as secretary and member and have been a member or chair of several search committees. I serve on the Institutional and Program Assessment Advisory Committee and am a co-chair for the SACS 5th year report on student achievement. I am highly motivated to be involved in academic citizenship at the unit and university level. At ECU, we have a vibrant, creative and dedicated faculty. I would be most honored to serve as the chair of the faculty. I do have the support of my unit administration and peers should I earn your vote. I am prepared to work collaboratively with you to meet the needs of this fine faculty. Thank you for your consideration.

Candidates for Vice Chair of the Faculty

Crystal Chambers, College of Education

Hello. My name is Crystal Renée Chambers and I am an Associate Professor of Educational Leadership in the College of Education. As Vice Chair of the Faculty Senate, I would bring 14 years of faculty experience, the weight of my research on faculty and students, and knowledge from the field of higher education leadership to bear on issues confronted by the university and be your ears and voice as challenges to higher education mount. These challenges include the defense of academic freedom and freedom of expression rights for students and faculty, the continued diversification and inclusion of faculty and student bodies, and the positive engagement of administration in dialogue to support our teaching, research, and creative expression while pursuing our collective quest to become America's next national university. I look forward to sharing this journey with you. Thank you for your trust in me.

Don Chaney, Department of Health Education and Promotion

I am honored to have been nominated for Vice Chair of the Faculty. Although I have the privilege to serve as chair of the Department of Health Education and Promotion, I view myself as a faculty member first and foremost. Over the past five years, I have also had the privilege to serve the University in a variety of roles, but most notably serving as the Chair of the Educational Policies and Planning Committee for the past three years and Co-Chairing the School of Public Health Implementation Team. I believe the University is at a key point in charting the future direction. I vehemently believe ECU is a regional institution with a national impact. We must not forget our unique three-fold mission to maximize student success, serve the public, and lead regional transformation as the administration sets new priorities in terms of research funding and expectations. I will commit to listening carefully, respecting all opinions, and working with faculty, staff, and administrators to address the challenges and opportunities facing our great University. Whether elected or not, I will always be an advocate for the faculty and will work closely with the Faculty Senate to make sure that ECU is synonymous with shared governance. Thank you for considering my candidacy for Vice-Chair of the Faculty.

Candidates for Secretary of the Faculty

Heidi Bonner, Department of Criminal Justice

I am honored to be nominated for Secretary of the Faculty Senate, and to have the opportunity to be part of the faculty voice celebrating institutional success, and addressing institutional issues and challenges. I have been at ECU since 2012, and have served the organization in many ways including as QEP Writing Liaison, as a mentor for the OFE/Faculty Senate Pilot Mentoring Program, and as a member of the THCAS Undergraduate Program Director Council. I previously served as our department's Undergraduate Program Director and, outside of the university, currently serve on a Board of Directors, a Board of Trustees, and as President of the North Carolina Criminal Justice Association. I am a BB&T Faculty Leadership fellow, a Teaching with Technology Academy mentor, a past participant in the Chancellor's Leadership Academy, and am currently taking part in the Engagement Outreach Scholars Academy. This year, I also served as the Chair of the Distance Education & Learning Technology Committee, as a member of the ECU Title IX Hearing Board, and as the department liaison to the Undergraduate Curriculum Committee. As Chair of DELTC, I also currently represent faculty as a member of the Educational Programs Committee (Distance

Education) – Fifth Year Interim Report to SACSCOC. The heart of any organization is its people, and I have been impressed time and again by the dedicated faculty I have worked with across the organization. The importance ECU places on shared governance is paramount, and I would welcome the opportunity to serve as Secretary.

Amanda Klein, Department of English

In my 11 years at ECU, my service work has been primarily to my department: building a new film minor, advising students, serving on the undergraduate committee and on awards committees. In the last year I have had the opportunity to serve as one of the English department’s faculty senators, and this experience has demonstrated the importance of shared governance here at ECU. At a time when budget cuts, free speech legislation, and debates over how to handle potential gun violence are central to discussions at the faculty senate, it is all the more important to have a secretary of the faculty who is committed to amplifying the needs and concerns of ECU faculty. I have previously served as an Officer for the [Society of Cinema and Media Studies](#) as the group’s Treasurer, from 2014-2017. During my tenure as Treasurer I established a standing committee, the Investment Committee, to steward the resources of the organization for the long run via investments and planning. As an officer, I also attended 3 board meetings a year, where we established and voted on policies for 3000+ international members. I believe this experience has prepared me to serve as ECU’s Faculty Senate Secretary. Furthermore, having served as the Secretary for the Faculty Welfare Committee, I feel confident in my ability to maintain the Senate’s minutes. If given the opportunity to serve my fellow faculty in this capacity, I feel confident in my ability to represent ECU faculty and their concerns.
