Memorandum

To: Dr. Michael Brown,
Associate Dean, Thomas Harriot College of Arts and Sciences

Cc: Dr. Alan R. White, Dean
Dr. Heather Ries, Associate Dean

From: Dr. Richard E. Ericson *REricson*
Chair, Department of Economics

Date: 18 October 2010

Subject: Elimination of Applied Economics Graduate Certificate

This Memorandum transmits the unanimous vote of the HCAS Economics Department Graduate Faculty to eliminate this certificate program. In the past 5 years there has been only one recipient and we have had no applicants in the past 3 years, rendering any teaching assessment of the program impossible. Hence it has been assessed by the graduate faculty of the Department as not being needed.
