Sanda,

Please find the attached minutes from the UCC from the 1/22/09 meeting (the link is provided below) – see item 10. The GCC meeting was last Wednesday and the minutes are not posted as of yet. Linner Griffin is on both the EPPC and the GCC. She can verify it passed the GCC. Scott Dellana, Chair of the Committee, can also verify the passage. I copied him on this email. I do not think it is necessary for the GCC approval since we are eliminating the BSA and not the MSA but, if so, I want to cover all of the bases. Thanks. Dan
