RE: Removal of Foundations credits.

The faculty of the Department of History, as part of our ongoing review of Foundations credit for History courses, voted at the department meeting of March 12, 2012 to remove Foundations credit from the following courses:

HIST 3005 Selected Topics in History

HIST 3333 Biography in History

HIST 4550 Honors

HIST 4551 Honors

On behalf of the Department of History, I am requesting removal of Foundations credit from the courses listed above.
