

# University Faculty Counselors

<http://www.ecu.edu/cs-acad/fsonline/customcf/rosters/facultycounselors.pdf>

Faculty Counselors are non-administrative faculty currently employed at ECU who have served in past leadership roles as elected Faculty Officers or Chairs of standing University academic and/or appellate committees. These faculty members have agreed to advise a faculty grievant regarding the substance and statement of the Petition for Redress of an alleged grievance and ECU policies and procedures applying to the grievance. Following their advisement, these counselors have no further role in the grievance process and do not participate in appellate hearings.

Faculty grievants are encouraged to select a counselor from this list and contact him or her to inquire of his or her availability to assist the grievant prior to submitting formal material to a standing University appellate committee. Please note that not all listed below are available to serve throughout the academic year.

Please feel free to call the Faculty Senate office at 328-6537 if you have any questions.

<b><i>Faculty Member</i></b>	<b><i>Academic Unit</i></b>
Patricia Anderson	College of Education
