* No specific deadline.														
(1) Based on availability of funding.														
(2) Spring enrollment is not encouraged in this program. Contact the program director for more information.														
(3) Students interested in graduate teaching assistantships should apply by March 15 th .														
(4) Date shown or until all seats are filled.														
(5) Post-Master's certificate														
(6) A deadline of Dec. 1 st will be used for those seeking early admission to this program.														
(7) A system of rolling enrollment is practiced in the MS in Nutrition and Dietetics program. There are no set deadlines for submitting applications. However, students should review the University schedule for registration for classes. It generally takes about four (4) weeks to review the complete application and make a decision about entrance into the program.														
(8) Physical Therapy early admission deadline is November 1
