

Dear Teacher,

The Office of International Affairs of East Carolina University invites you and your class to participate in our new outreach program “World Through Our Eyes”. Through this K-12 service program ECU international students and returning exchange students offer in-class presentations about their home countries and the countries they have visited. There is no cost to schools for this program.

“World Through Our Eyes” presenters use their knowledge, experiences and talent to engage pupils in interactive learning experiences designed with the classroom teacher to be grade-appropriate and to supplement textbook and classroom instructions. Presentations may provide a general overview of a country or region, or in-depth information in such specific topic areas as:

- Contemporary & Traditional Culture
- Politics, Current Events & Foreign Policy
- World Music, Crafts & Performing Arts
- Health & Development
- Festivals & Holidays
- Religion

This program helps prepare ECU and K-12 students to become better-informed, responsible and effective global citizens.
