

### **The Rizzuti Fund (Christian based mission trips)**

The Rizzuti fund supports students who undertake “medical mission trips” or otherwise go overseas with a specific focus on church-related or sponsored work. So to be considered, the student must have the perspective of the Christian faith. There are no formal guidelines; Dr. Rizzuti considers applications individually. The application process consists of a paper application and in-person interview with Dr. Rizzuti. Contact Dr. David Musick for more detailed information [musickd@ecu.edu](mailto:musickd@ecu.edu)
