## *Getting to ECU...*

---

There are two options for getting to ECU.

### Option #1 (recommended)

Fly directly into PGV airport on US Airways (Pitt County/Greenville, NC).

*Note: The only connecting flights into this airport are through Charlotte, NC.*

International Affairs will provide pick up whenever you arrive into Greenville on August 17th, 18th or 19th.

### Option #2

Fly into RDU (Raleigh/Durham, NC).

International Affairs will **only provide pick up on Tuesday, August 18th and Wednesday, August 19th**. Please be at the **Information Desk next to baggage claim at Terminal A no later than 7:00pm**, the van will be leaving at that time for ECU. **If you disembark in Terminal C—there is Bus #4 (Orange) that will transport you to Terminal A. RDU has only two terminals — A and C.** Please schedule your flights accordingly. *No other pick up times will be offered by International Affairs for traveling to Greenville!*

#### Terminal A

Air Tran	JetBlue
America West	Northwest
Continental	Southwest
Delta	US Airways
ExpressJet	

#### Terminal C

Air Canada
American Airlines
American Eagle
United Express

Suggested hotel accommodations if you choose to fly in to RDU before the designated pick-up dates can be made (at your own expense) at:

<u>Hotels</u>		<u>Average Rate (if booked in advance)</u>
• Microtel Inn	(888) 988-0732	\$61.00
• Hilton Garden Inn	(800) 445-8667	\$89.00
• La Quinta Inn & Suites	(800) 687-6667	\$119.00
• Days Inn	(800) 329-7466	\$119.00

A more extensive list can be found at: <http://www.rdu.com/travelinfo/areainfo.htm>

These hotels provide a shuttle service to and from the airport. In the event that you fly into RDU early, they will be able to transport you back to the airport to meet the van going to Greenville on the designated pick-up dates. We ask that if you choose to fly into RDU, you make every attempt to arrive before 7:00pm as arrangements for traveling to Greenville will be quite cumbersome and difficult if you can not make the International Affairs pick up time.

There is a bus service between Raleigh and Greenville but the Raleigh bus station requires a cab ride from the airport. In addition, depending on the bus schedule, the ride from Raleigh to Greenville can take anywhere between three to six hours. Also, since Greenville is two hours away by car, it is not recommended to take a taxi from RDU to Greenville since the driver may charge in excess of \$150.
