Tomorrow starts here.
Students Come First
The student experience is the most important focus of East Carolina University. From the first year to the graduate level, our students are taught by experienced faculty members. We take a hands-on, personal approach to student development. It is an approach that emphasizes useful experiences that will prepare a student for the challenges of life. Learning does not end in the classroom; research is applied. At East Carolina, we recognize that the primary reason students attend college is to prepare for a career. We embrace this real-world responsibility and seek to prepare our students to realize their dreams and aspirations through academic and student life programs.

This brochure gives an overview of the boundless opportunities you can experience on your way to a brighter tomorrow. Be sure to visit us online using the Web site addresses for more details.

Wide Variety of Programs
At East Carolina University, you can choose from more than 100 undergraduate majors designed to give students the knowledge and skills they need to ensure a bright future. Our nationally recognized programs in teacher education, health care, and the fine and performing arts are joined by rapidly growing programs in business, engineering, industry, and technology.

Climate
Greenville is the county seat of Pitt County, which has a relatively mild climate and experiences all four seasons each year. The average summer temperature is 29 degrees Celsius, while the average winter temperature is 7 degrees Celsius.

On-Campus Housing and Dining
East Carolina students live in one of 15 residence halls, eat in a variety of restaurants and cafes, and choose from countless events and services all year long. We have plenty of options to suit your interests and tastes.

If you choose to live on campus, we will have the right options for you based on your needs and lifestyle. All of our residence halls include beds, desks, baths, and laundry facilities. Rooms are equipped for high-speed Internet connections and cable TV.

Residents enjoy living on campus for its collegiate feel and quiet places to study. You’ll have convenient access to the buildings that you’ll frequent during your time at East Carolina.
