
MS - - Instructional Technology

THE COLLEGE OF EDUCATION AT EAST CAROLINA UNIVERSITY

Program Description:

The Department of Librarianship, education Technology, and Distance Instruction in the College of Education at East Carolina offers a MAED (for public school advanced licensure) and an MS in Instructional Technology. The program's objective is to train students to be designers and developers of computer-based instructional materials for education, government, and business.

Departmental Policies:

According to departmental policy, instructional technology students in the MAEd program must take the following course exclusively from East Carolina University: EDTC 6020, EDTC 6025, EDTC 6030, EDTC 6035, EDTC 6037, EDTC 6140, EDTC 6230, EDTC 6300, EDTC 7310. For any other EDTC courses or their equivalent, university policy states students must receive prior departmental approval before taking courses outside of the University for Transfer Credit to the program.

Admission Procedure:

A graduate application package can be downloaded at <http://www.ecu.edu/gradschool/>. Complete the application form and other include forms including the statement of legal residence form and the statement of purpose form. Return the complete forms along with official copies of all transcripts and three letters of reference to the Graduate School. The SIT Entrance Application and career Goal statements must be completed and mailed or faxed to the address shown on the bottom of the forms. Visit <http://www.ecu.edu/graducatecat/title.html> for a complete listing of requirements, procedures, and responsibilities of the graduate school. All applications are evaluated on a case-by-case basis.

Students will receive a MS in Instructional Technology by completing the following courses:
