</table>

**Minimum S.H. Required for Degree**: 128
All guides are meant as an example of how a degree can be completed. However, individual plans will be developed for each student in consultation with the academic advisor. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing the individual academic pathway.

Students must complete a minimum of 64 s.h. at the four year institution to graduate.

1Students must bundle EGR 150 and DFT 170 to receive credit for ENGR 1000 + 1012 + 1016
