

The Undergraduate Graduation Process for Students

Meet with Your Advisor

You are encouraged to meet with your advisor at least two semesters before graduation. At this meeting, a Degree Evaluation will be processed in the Banner system in addition to you and your advisor completing the senior summary form.

The Senior Summary

The purpose of the Senior Summary is to provide a record of remaining requirements for graduation and to eliminate last minute errors. The catalog you are following will be used to determine the requirements for graduation.

After reviewing your degree evaluation and senior summary form, you will sign the form along with your advisor. A signed form may be sent to your academic department for review. The forms will be sent to the Graduation Services Office in the Office of the Registrar. The official review of the senior summary will be processed by the Graduation Services office. If there is an error or omission, the student and advisor will be notified. Questions can be referred to Marc Setliff at setliffm@ecu.edu.

The final responsibility for meeting all academic requirements for the degree rests with the student.
