HOW DO WAITLISTS WORK?

- Students who attempt to register for a class that is full or ‘Closed’ may put themselves on a waiting list.
- The wait list queue works on a first-come, first-served basis.
- When a seat becomes available, an email will be sent to the student at the top of the waiting list via their ECU email.
- The student will have 24-36 hours from the delivery of the email to add the class.
- All Holds and Registration Restrictions will still apply to be eligible to waitlist a class.
