How to reset your INB password?

1. Go to [https://banner.ecu.edu](https://banner.ecu.edu)

2. Click the Production: Internet Native Banner link.

3. Enter your Passphrase (Pirate ID) and Password sent to you in your Banner security email.

4. You will be asked to reset your Banner Password using:
   - 8 characters long
   - At least one capital letter
   - At least one number
   - At least one punctuation

5. If you need your INB password reset, contact the University Help Desk at 328-9866.
