Lexington

Solid Waste Management, Reduction, Reuse, & Recycling

Purchase products in reusable, returnable containers

Donate obsolete/unwanted equipment, electronics, furniture to charity

Eliminate use of Styrofoam and other difficult to recycle products

Use non-bleached paper napkins, towels, and coffee filters

Selecting printers/photocopiers able to print on both sides

Distributing information to guests/participants via email and avoiding hard copy

Avoid use of fax cover sheets

Using both sides of printing paper and using the reverse side of printing paper for printing rough drafts

Streamlining operational systems that rely on paper or hard copies

Reuse envelopes for inter-office mail

Set and use fax and copy machines to copy documents directly to computers rather than printing a new copy

Freshwater Consumption Reduction

When purchasing new appliances or fixtures, purchase water-efficient models such as those certified by EPA WaterSense® and Energy Star®
