Federal I-9 Instructions

What is the Federal I-9 Form?
The Form I-9, officially the Employment Eligibility Verification form, is a United States Citizenship and Immigration Services form. Mandated by the Immigration Reform and Control Act of 1986, the I-9 form is used to verify the identity and legal authorization to work of all paid employees in the United States.

When does the I-9 have to be completed?
- Section 1 must be completed on/or before your 1st day of employment.
- Section 2 must be completed on/or before your 1st day of employment.

What are my next steps to complete my I-9?
- Once an offer has been extended and a start date has been established you will receive an email from HireRight to complete Section 1.
- Once you complete Section 1 of the I-9 form you can then present your documents (any documents from the list of acceptable documents provided) to the SEO or the HR office.
- Documents need to be unexpired.
- Documents that are laminated are not accepted.
- Documents must be presented on and/or before your start date and no appointment is required.

What do I need to do if I think I already have an I-9 on file?
If you have previously completed an I-9 or if you are not sure if you have already completed an I-9 you can contact Joretta Chestnutt at 252-328-9995 or email  at millsjo16@ecu.edu.

What do I do if my documents have been lost or stolen?
If your acceptable documents have been stolen or lost, you can provide a receipt showing that you have applied for a new document such as driver’s license, social security card or birth certificate. You will have 90 days to provide the actual document to the SEO or HR office.

Can I just email you copies or bring you copies of my documents to complete Section 2 of the I-9?
No, you cannot email copies of your documents or bring copies of your documents. We will need to see the originals of your documents and we will then make copies of your documents to complete Section 2 of your I-9.

How can I complete my I-9 if I am in another city or state?
The I-9 can be completed via notary (3rd party) for students that are not local. If using a notary, please keep in mind the notary is not actually notarizing the documents. The notary is only attesting that your documents are valid and completing section 2. A list of local institutions that can complete section 2 of the I-9 in your area can be accessed by going to http://www.cupahr.org/I-9/index.aspx

Other places that can complete Section 2 of the I-9 via notary are:
- Banks
- UPS offices
- Current/previous employers
- Other HR Representatives

Notary/HR Instructions for Offsite Electronic I-9 Completion
These instructions are intended for offsite (distance education) and out of city/state employees who are moving here and who cannot come to HR on or before their first day of employment to complete their I-9. These new hires can go to a notary/HR Representative in their city/state and have the notary/HR rep complete Section 2 of the I-9 form electronically.

Please note: When the notary views your original documents, and completes Section 2, they are acting as an authorized representative on behalf of ECU (not a notary).
