**APPROVAL OF MINUTES**

Mr. Lucas asked for a motion to approve the minutes from the Board meeting on February 22, 2013, as well as the special called conference call meeting on March 6, 2013. Mr. Butler moved approval of the minutes. Ms. Mabe seconded the motion. The motion passed with no negative votes.
Mr. Lucas said that the Board has items that it needs to consider in closed session. Mr. Butler made a motion to move into closed session. Mr. Clark seconded the motion and it was approved with no negative votes.

Upon returning from closed session, Mr. Lucas asked Dr. Ballard for his remarks.

UNIVERSITY REPORTS

CHANCELLOR’S REPORT

Dr. Ballard gave his remarks to the board. Chancellor Ballard presented each outgoing board member with a Chancellor’s coin. In addition, he presented Chairman Lucas with a certificate of appreciation for his service as Board chair for the past 2 years. Chancellor Ballard’s report included an introduction of Dr. Sam Sears, winner of O. Max Gardner Award, the most prestigious faculty honor in the University system. Dr. Ballard updated the Board on the SACS process. The SACS Accreditation team completed their visit about two weeks ago. There were three recommendations, but overall the review team was very complimentary of the work done at ECU. Dr. Ballard congratulated Danny Scott and Steve Jones on their reappointments to the Board of Trustees. He announced that Mr. Robert Plybon from Greensboro and Mr. Terry Yeargan, incoming chair of the Board of Visitors have been appointed to the Board of Trustees by the Board of Governors. Other points of interest included the ECU Strategic Plan, the mission statement mandate from President Ross, the affiliation agreement with Vidant Health, and the State’s budget. A full text version of the Chancellor’s remarks is attached as “Attachment A.”
CHAIR OF THE BOARD REMARKS

Mr. Lucas spoke about his time as Board Chair. He said the most important thing that ECU does is transforms people's lives. He thanked the Board for the allowing him to serve as chair of this Board. He complimented the Board on being the most talented group people he’s ever met. He recognized the administration for including him in the process of running the university and always hearing his opinion on issues. Mr. Lucas said that from being a student at ECU, to becoming the President of SGA, to ultimately serving as Chair of the Board of Trustees, ECU has most definitely transformed his life.

CHAIR OF THE FACULTY REPORT

Dr. Mark Sprague thanked Mr. Lucas for his service at ECU. Dr. Sprague said that Mr. Lucas is a perfect example of what the faculty aim to accomplish here at ECU. Dr. Sprague spoke about several topics, to include the Faculty Manual and the SACS accreditation process.

SGA REPORT

Student Government Association President Matt Paske began his remarks by thanking the board members for all their hard work at making ECU a better institution. He says it’s encouraging to see successful people giving back to ECU without asking for anything in return.

Mr. Paske says that SGA continues to work hard to improve voter turnout at SGA elections. He says SGA outreach is a key component of their platform and they are planning to partner with the City of Greenville to make even more of an impact.
The cost of education is also an important topic for SGA. As the cost of education continues to rise, so does student debt, and that is a scary concept for students. He urged board members to continue to try to keep the cost of attending ECU as low as possible.

Mr. Paske thanked everyone for their support during his short time on the Board of Trustees.

REPORT FROM THE BOARD OF VISITORS

Chair of the Board of Visitors, Steve Brown thanked the outgoing board members for their service. He says he, too, is an outgoing chair, not a member. Mr. Brown pointed to the Board materials, saying that new member nominations are included. He says that the incoming class of the Board of Visitors is top notch.

Mr. Brown also spoke about leadership on the Board of Visitors. He recognized Mr. Terry Yeargan, who will be the incoming Chair of the Board of Visitors. He said that he appreciates Mr. Yeargan’s willingness to stay engaged on the Board of Visitors even after his appointment to the Board of Trustees.

The next meeting will be on May 3, 2013 at Brier Creek Country Club in Raleigh, NC. Athletic Director Jeff Compher will be the highlight of this meeting. As always, all Board of Trustee members are invited to attend.

Office of the ECU Board of Trustees
BOARD OF TRUSTEES  
April 19, 2013  

Thank you Chairman Lucas.

Outgoing Members  
I would like to begin by recognizing the great service of four Board members whose terms have expired: Mr. Lucas, Mr. Butler, Mr. Tipton, and SGA President Matt Paske. I will distribute chancellor’s coins to each of you as a small token of our appreciation, as well as a certificate recognizing Mr. Lucas’ service as chair of the Board. What we have achieved as a university is a direct result of our ability to work together as one team and act in the best interest of the university. Thank you.  

O Max Gardner Award  
The most prestigious faculty award in the University of North Carolina System is the Oliver Max Gardner award, given to one faculty member in the system each year. We are extremely proud of Sam Sears of ECU for this recognition this year. He received his award one week ago at the BOG meetings and he stole the show with his authenticity and his passion.  

While we could easily talk about numerous accomplishments, I think his passion for helping patients cope with serious illness is the key to his success. In order to accomplish this, Sam had to integrate the fields of cardiac illness, psychology, and technological innovation. The result was a new discipline…can you imagine, this one person created a whole new field of study called Health Psychology. Sam, we are very proud of all that you do for ECU! Sam called this award the “Heisman Trophy” of faculty work. It is the 3rd time since 2000 that ECU faculty have received this recognition.
SACS REVIEW PROCESS

We have recently completed the on-site review by our regional accreditors. Although the full review process will not be completed until next December, we are very proud of the initial findings. Here are things to remember about re-accreditation:

- They recognized us for how fully engaged our campus was in the process and how many members of our community participated;
- The QEP, "Write where you belong," was especially recognized as a major advance in undergraduate teaching because it gives us the right approach to ensure that writing competency…recognized a key competency by virtually all surveys of employers… is taught throughout the curriculum and measured so that we know our students are learning.
- We had three recommendations that we have to improve on by next September, but 2 of those are virtually done and I’m told that Provost Sheerer and Dr. Weismiller are focused on ensuring the 3rd one is fully complied with. This last one requires that we ensure that faculty are appropriately using assessment data to improve student learning outcomes.

BOG Update

It was an important meeting last week and I congratulate Mr. Scott and Mr. Jones for their re-appointments to our Board of Trustees. We will also welcome in July two new members, Mr. Yeargan from Raleigh and Mr. Plybon from Greensboro, both of which have served ECU in many ways over the past decade.

We also had our affiliation agreement with Vidant approved by the Board, which is essential to our accreditation of the Brody School of Medicine. We also were approved for campus authority over lease arrangements and this will greatly facilitate Dr. Niswander’s work and efficiency.
Much work continues on the strategic planning process and we have begun a process for reviewing our mission statement. We seek input on our current mission statement and I’ve asked Mr. Lucas to appoint a Board member to work with our administrators to ensure that we are responding to both the SACS requirements and as well the requests of the General Administration.

**Budget**

We continue to work with President Ross regarding the budget proposals being reviewed by the legislature.

The Governor’s proposal would cut $15M from our base and require an additional $5.5M of non-recurring cuts. Because of the size of cuts over the past 4 years, this would be devastating to our students… that is, we will have to increase class size, eliminate programs, and probably reduce our fixed term faculty. We have had over $80M in base cuts and over $60M in one-time cuts. We need your help to ensure that we can continue all the ways that we contribute to North Carolina. These include the 10 dental clinics around the entire state, the leadership we have chosen across numerous professional fields…we prepare more teachers than any other university, and continued growth of the Honors College which is vital to over 400 of our students. In addition, other harmful elements include:

- A reduction in repair and renovation funds, which is especially harmful to older campuses like ours;
- A 6% increase in non-resident tuition which will make us uncompetitive for many out of state students; and
- Hidden cuts to the Brody School that would reduce that budget by about $5.5 million.

Sorry to end on such a sour note. I would be happy to take questions that you might have.

Talking Points

Committee members present were Danny Scott, Bob Lucas, Robert Brinkley, Mark Copeland and Mark Tipton. Other board members present included Joel Butler, Carol Mabe, Matthew Paske, Ken Chalk, Edwin Clark, Deborah Davis, Bobby Owens and Steve Jones.

We started the meeting by recognizing the ECU Men’s Basketball Team. Coach Lebo and his staff were there with a pretty impressive CIT Championship Trophy. We watched a short highlight reel of the championship game, which was just as exciting the 2nd time around. Congratulations again to Coach Lebo, his staff and his players for such an inspiring season, and we look forward to what’s to come next season!

**University Advancement**

**Access / Brody Scholars**
We had the pleasure of having two students share their story as to why they chose ECU. The first student is an Access Scholar, TaCriasha Willoughby (TC for short). She is a biology major from Gates County who is graduating in few weeks and looking forward to graduate school. Her long- term goal is to be an OB/GYN physician in North Carolina. Being the recipient of the Access Scholarship afforded her the opportunity of getting the kind of education she would have not had access to otherwise. The second student, Stephanie Carrier, is a Brody Scholar in her third year here at ECU. She did her undergraduate work at UNC before coming to ECU for med school. She felt that being asked to interview for the Brody Scholarship was an honor in itself and once selected as a recipient there was no hesitation in acceptance. She also mentioned that through all her medical school interviews ECU’s interview left her feeling accepted, welcomed and that she truly felt wanted here. Because of her Brody Scholarship she is afforded the opportunity to graduate medical school with much less debt. She plans to practice Family Medicine here in NC.

**Development**
Glen Gilbert shared a few pages from the ECU Foundation’s 2011-2012 annual report, which illustrated significant increase of ECU’s planned giving over the last five years. Giving has increased from 40M to 140M. Our alumni participation rate has increased to nearly 10% up from 6% five years ago. This increase is significant because state appropriations and public support are decreasing. The Advancement function has never been more critical than it is today.

**Vice Chancellor Search Update**
Rick Niswander provided an update on the search for the Vice Chancellor for Advancement. On May 2nd, the committee will review applicants for the first cut. They hope to conduct airport interviews May 16-17. We hope to bring in the top 3-4 candidates for on campus interviews the first part of June.
BOV Nominations
DR. Philip Rogers presented the nominations for the Board of Visitors as well as the slate of officers for the BOV. We have 7 members seeking reappointment, and five new member appointments. I will make a motion at the conclusion of my report.

Athletics

Coach Update
This meeting, our Coach’s Update came from ECU Swimming and Diving Coach, Rick Kobe. ECU has had a swim team for 59 years – over the course of those 59 years, there has only been 3 coaches, Coach Kobe being the most recent, however, he has been here 33 years.

There are 60 student athletes on the swim team – 30 females/30 males. First to recap the women: The women have a 9-1 dual meet record. They finished 4th in Conference USA, set 5 ECU records and set 6 ECU Freshman records. They are also very successful academically. Two female swimmers made the Chancellor’s List, 16 have made the Deans List and 8 were on the Honor Roll. The male swimmers aren’t quite as smart, but they hold their own: with 1 swimmer on the Chancellor’s List, 3 on the Dean’s List and 11 making the Honor Roll. Their dual meet record was 6-2. And it should be noted that this is the 30th consecutive year having a non-losing season.

Not only do these kids perform in the pool, and in the classroom, but they are active in their community. The swim team participates in three service projects annually. This year, they helped with the Pitt County Special Olympics Swim Team, which included 35 swimmers ages 7-65. They were involved with the Relay for Life event, and they participated in the “Swim Across America for Cancer Reasearch.”

Coach Kobe talking a little about recruiting. Obviously, scholarships are a key to successful recruiting, and about 80-90% of all swimmers receive some sort of scholarship. The other key factor in recruiting is the facilities. Our pool was built in 1960, and whereas we are making upgrades to the pool, we will eventually need to invest in new pool facilities if we want to become a “Top 25” swim program.

Athletic Strategic Plan
Since last summer we have received a report at each regarding updates of the athletics strategic plan work. This meeting, we received a describes a review of the plan development process, core values, mission and vision statements, and 15 major goals spread among the 7 established priority work areas.

80 people, representing many, if not all, areas of the university, including the students, is a major strength of this plan. Having such a diverse and collaborative effort will certainly aid in the implementation of this strategic plan.

After receiving final directions from the Chancellor, Jeff Compher and the Board, the next step is to move forward with implementation of the plan which includes a public release of this effort
thru posting on ecupirates.com and meeting with the athletics staff to communicate the operational plan.

We hope to have a thorough presentation of the Athletics Strategic Plan to the Board of Trustees in the near future.

**Athletics Update**
Coach Holland gave a conference update – ECU is now an All-Sports member of the newly named American Athletic Conference. Our teams and coaches are already in the integration stage of the conference.

**Action Item:** Approval of February 21, 2013 minutes

**Research Compliance Report – Dr. Ron Mitchelson and Mr. John Chinn**
- Dr. Mitchelson and Mr. Chinn introduced the new Assistant Director of Research Compliance, Ms. Sanders.
- Dr. Mitchelson thanked Mr. Chinn for his service to the University. Chinn’s last day is 7/11/13. Dr. Mitchelson hopes to have the position filled by 8/1/13.
- The committee thanked Mr. Chinn for his dedication and service to the University.

**BSOM Compliance Report – Dr. Nicholas Benson and Ms. Micki Jernigan**
- Dr. Benson presented the results of an AAMC Survey of 110 academic medical centers and other similar institutions. Overall, ECU is positioned where we should be with regard to the resources (FTEs and budget) allocated to our healthcare compliance operation. (With the understanding that two additional billing compliance positions will be filled.) Peer institutions are based on the annual clinical revenues, annual patient encounters, and total number of billing providers.
- Dr. Benson presented the preliminary conclusions of a recent consultant who assessed BSOM compliance operations. In summary, the conclusions are positive and reference the BSOM culture of compliance. The consultant noted the recent challenges facing the University’s billing compliance efforts due to staff turnover. (These had previously been noted by Internal Audit and by Ms. Jernigan.) The consultant’s final report should be available at the next committee meeting.
- Ms. Jernigan presented the BSOM and HIPAA Privacy compliance workplan, to include updated “actual” hours to date. She will present this on a regular basis and will seek the committee’s review and approval for changes, in the same manner as the Internal Audit Plan is handled. The committee appreciates the clear manner in which this information is presented.

**ERM Report – Mr. Tim Wiseman**
- The 2013 ERM risk survey results have been received and are being prioritized. These will be provided to Internal Audit for inclusion in the annual risk-based audit plan development process. Mr. Wiseman will present the consolidated results to the committee at the next meeting.
- Mr. Wiseman reported that he has been engaged in several consultations with various departments. Of specific note is the University’s work with regard to wide-ranging social media risks. The committee asked Mr. Wiseman to ensure that the workgroups consider healthcare risks associated with social media.
- Mr. Wiseman is engaged with other units across the University in investigating training management systems that may meet the University’s needs.

**Internal Audit Report – Ms. Stacie Tronto**
- Ms. Tronto stated that she has been assigned as the team lead of a five-member group that will be developing standards and KPIs for IA shops across the UNC system. For now, the idea of having all IA shops formally report to UNC-GA instead of to their respective audit committees has been tabled. This is contingent on the successful establishment of (and adherence to) standards and KPIs, and collaboration of IA shops across the system. In this model, ECU may be asked to provide IT audit and/or investigative assistance to some schools with smaller audit shops.
- **Internal Audit Dashboard (FY 2013 YTD, as of 3/26/13)**
  - 39% of the audit plan is complete (several other projects pending report issuance); 45% of audit plan in progress
  - Direct Audit hours remain at 78% (target is 70%)  
  - Completion rate for management corrective actions is 90% (the incomplete items are all in Continuing Studies. Dr. Niswander is addressing these items.)
- **Action Item:** The committee approved revisions to the 2012-2013 Audit Plan as amended during the meeting
  - Stark Law and University Data Storage engagements cancelled
  - The Volunteers, Minors, and Non-University Sponsored Events on Campus engagement is replaced with a more comprehensive review of all non-Athletics Camps and Clinics Operational and Compliance engagement.
- Ms. Tronto reported that IA, in collaboration with the Registrar and Student Development offices, recently completed a second review of student athletes’ course schedules and grading. The high-level review revealed no evidence of course clustering (course sections with heavy populations of student athletes) or irregular grading patterns.
The Finance and Facilities Committee met on April 18, 2013.

**Designer Selection**

The Committee reviewed the request to move forward with the Designer Selection phase on the new Student Union project on Main Campus. Mr. Bagnell was available for questions. The Committee approved a motion to recommend that the full Board approve the request.

Minutes of the Meeting of the
University Affairs Committee
East Carolina University Board of Trustees
April 18, 2013 at 3:00pm
Mendenhall Student Center

Attending: Robert Brinkley (chair), Bob Lucas, Matt Paske, Edwin Clark, Danny Scott, Bobby Owens, Marilyn Sheerer, and Virginia Hardy.

Meeting began 3:02pm

The minutes from the previous meeting were approved.

Mr. Brinkley opened the meeting by reading the conflict of interest statement.

Mr. Brinkley called for the University Affairs Committee to enter into Closed Session to address one agenda item.

■ CLOSED SESSION MOTION
  o Mr. Paske moved that we go into Closed Session:
    ▪ To prevent the disclosure of confidential information under N.C. General Statutes §126-22 to §126-30 (personnel information) and the federal Family Educational Rights and Privacy Act;
    ▪ To consider the qualifications, competence, performance, character, fitness, or conditions of appointment of one or more prospective and/or current employees and/or to hear or investigate a complaint, charge, or grievance by or against one or more individual employees; and
    ▪ To consult with an attorney to preserve the attorney-client privilege between the attorney and the Committee.
  o NOTE! Minutes for Closed Session were taken separately.

Academic Affairs
■ Honors College Updates
  o Dr. Richard Eakin provided some updates with the EC Scholars Program and the Honors College.
    ▪ In August 2010, the first class of students attended the Honors College and the fourth class is now preparing to enter its fourth class for fall 2013 which will bring the student numbers up above 370 students.
    ▪ He stated that ECU should be very proud of the progress and work to build well-rounded student leaders who are serving and giving back to eastern North Carolina as well as building partnerships with faculty and staff on campus on varying topics. He said there are a series of colloquia available to the students too.
    ▪ Dr. Eakin said that ECU is laying the groundwork to become an exemplar for Honors Colleges across the country. A state conference was hosted at ECU this year and the president is Kevin Baxter, associate dean of the Honors College.
    ▪ He did state that with the growth and success of the Honors College, there is a need for more resources and assistance to continue to move forward as we all intend it to do. There are resources and funds, outside of state funds, that are sorely needed. One of those resources is new faculty/staff for the Honors College. These new people would be focused on recruitment across the state and really has been done by only three or four people who are most all of the state and leadership. They would also like to make the half time faculty fellows in HC full time as well as an advancement position. It is marketable and successful.
    ▪ He shared some of the impressive retention numbers of our highest caliber students. The numbers are far above the average student retention number.

■ Petition for Political Activity – Dr. Calvin Mercer
Dr. Sheerer referred to a petition in the board materials from Dr. Calvin Mercer. Alan White and Provost Sheerer have signed the petition to have him remain serving on the Greenville City Council. Bobby Owens made a motion, Bob Lucas seconded and it was approved with no opposing votes.

**Conferral of Degrees**
- Matt Paske made a motion to confer the degrees for the spring commencement ceremony. Bob Lucas seconded the motion and it was approved with no opposing votes.

**Supplemental Pay Policy**
- This was removed from the agenda due to a lack of materials given to the board in advance.

**Nooherooka 300 (Neyuheruke) – Larry Tise**
- The land where East Carolina University exists where the Tuscarora nation resided 300 years ago. There was a 300th anniversary event held on campus in March 2013. The Fort Nooherooka battle was one of the bloodiest battles in the history of North Carolina where a large majority of the Tuscarora nation was killed. During the 300th anniversary event, there was a tree planting to remember the Tuscarora nation. Additionally, there was a monument, designed by an Art faculty member in the Snow Hill area. There was a ribbon cutting and an Indian style dedication for the monument. A Nooherooka “wampum” belt was given to ECU, created especially for East Carolina University. The wampum has a specific message for East Carolina and was presented to Provost Sheerer. There are 770 beads, each carved separately, to make the wampum. A resolution was submitted to the board for approval.

**Research and Graduate Studies**

**Undergraduate Research**
- Mary Farwell introduced students, and the faculty who advised/assisted them, who have been working on undergraduate research.
  - Derrick Wirtz introduced Juliann Stalls, a junior, to talk about her project “The Effects of Perceived Self-Esteem and Self-Control on Judgments of Others’ Health Risks.” Juliann has presented her research at the local, state and national levels. She was talking about the levels of self-control and self-esteem and positive health outcomes. She showed connections between people likely to get cancer with positive self-control and self-esteem.
  - Brent Keiper, from Brody School of Medicine, introduced Jacob Subash to talk about his project called “Protein synthesis factors have different roles in gamete development.” He is a part of the EC Scholars program and the Honors College. His research is involved in germ cell development.
  - Carl Billingsley introduced Samantha Woitovich is a sculpting student at ECU and talked about her research project called “Sculpting Feelings into Form.” Samantha sculpted her own shape into a life-sized figure created in bronze. She wanted to capture the tranquility and serenity experienced while sinking under water. She shared her experiences throughout the process from concept to completion. It’s on display at Emerge gallery currently and then will be on display at Joyner Library.

**Student Affairs**

**Review of Greek Life**
- Keith Tingley presented about Greek Life at ECU. The core values are friendship, leadership, philanthropy and scholarship. ECU has 17 Interfraternity Council groups, 5 Multicultural Greek groups, six NPHC groups and 9 Panhellenic groups. He shared some data related to Greek Life nationally vs. locally at ECU. There are 1,887 students involved in Greek Life at ECU. Keith shared some of the proactive educational programming with the Greek organizations. A large part of our education process discusses accountability with our students. ECU has a policy/contract with the students as a part of the anti-hazing action on campus. In the last five years, there have been seven closures, all of which have been enforced by national organizations. There have been four suspensions as well as several formal notices. Keith, as well as his staff, discussed some of the
preventative actions taken and educational plans to make sure students and groups don’t make mistakes or take wrong actions. This is important because we aren’t waiting for problems to arise, but getting ahead of the issues before they could blow up. Keith stated that students in the Greek community are more likely to be retained and graduate vs. non-Greek students. 11 of the 37 Greek chapters have a 3.0 GPA and the number continues to climb. There is an expected growth of Greek chapters in the coming years with new chapters wanting to come to ECU.

Meeting Ends at 5:36pm
