Attending: Bob Lucas (chair), Joel Butler, Robert Brinkley, Carol Mabe, Steve Ballard, John Durham, Nick Floyd, Terry Holland, Deirdre Mageean, Brad Congleton, Austin Bunch, Virginia Hardy

Meeting began at 1:48pm.

Mr. Lucas opened the meeting by reading the conflict of interest statement.

The committee approved the minutes of the previous meeting (February 25, 2010).

- **Academic Affairs**
  - Motion was made for the conferral of degrees for the May 2010 Commencement. Motion passed.

- **Student Affairs – Virginia Hardy**
  - Dr. Hardy provided an update regarding Student Affairs. The purpose is for the members of the BOT to have a better understanding of the Student Affairs, including the staff, departments, mission and vision. She said the first four months has been a learning experience for the leadership and team members. One of the focuses for SA is the intent to bridge the great divide between Academic and Student Affairs. Dr. Hardy shared some of the successes going on in Student Affairs including dining renovations, the Student Health Insurance Plan, ECU CARES, the Safety Symposium, increasing numbers in the Parents Council and multiple club sports successes. In addition, Dr. Hardy shared some of the open position searches including Housing & Dining, Assessment, Research & Retention, Student Involvement & Leadership, Career Services and Counseling.
  - Dr. Hardy provided an update on the previous and future plans for a student center as it relates to Master Planning. Additionally, she discussed the housing challenges and opportunities on campus.
  - The third topic discussed was transit. Dr. Hardy shared the numbers related to service hours, miles driven and costs associated as well as passengers riding. More than 2.2 million passengers will ride during the 2009-2010 year. She concluded with some of the future plans for Student Affairs related to leadership, retention, living learning communities, and scholarly activities.

- **Athletics – Terry Holland and Nick Floyd**
  - There is $40 million worth of construction going on right now on campus. On May 6-8, the women’s golf team will host the eastern regional golf tournament in Greenville at Ironwood. This weekend is Pigskin Pig-out weekend and there are 40 pigs that are involved in the Parade of Pigs on Friday night. Saturday includes baseball, softball and the spring football game. We have a number of new faces on our coaching staff including a new basketball coach in Jeff Lebo. The staff is working hard to get some good talent to join a solid returning unit. Construction is going very well. We are still planning for a basketball/volleyball practice facility as a part of this project. It’s not about if we will build it, but how big it will be. The Olympic sports complexes are being built with offices for the coaching staffs for these teams, thus forcing the vacating of the Scales Field House. The Olympic project should be completed in next two years and the football stadium will be completed by the first of September.
Research and Graduate Studies – Deirdre Mageean

- **2011 ECU Federal Priorities** – ECU’s funding requests are all tied to needs of the people of Eastern North Carolina. We work through our lobbying firm to help us with the quality and worth of ECU as well as those that fit within the Strategic Directions. Dr. Mageean said ECU is asking for a little over $11 million, but we don’t have any local representatives who sit on any of the committees that can help us get these funds easily. On the other hand, we do have a great deal of state representative support on Capitol Hill. There is a great deal of request for funds from our military and hope to get that. There is an increased amount of interest in wind energy and there is one proposal here for ECU engineers as well as those at NC State and others to look at this further. This is a year where we are asking for more funds than we have in the past, but we have great needs and hope to be able to fund some of these great projects.

- **Office of Engagement, Innovation & Economic Development** – Ted Morris explained the new Economic Development website that is set to be launched. There are 24 projects on the ground and running throughout the state. He discussed some of the partnerships from this office throughout counties in the east and mentioned a desire to expand these partnerships statewide. Among the programs discussed included the Office of Technology Transfer, Small Business and Technology Development Center, Center for Municipal Management and Innovation, and the Engagement and Outreach Scholars Academy. We are looking for ways to use interactive gaming to help kids with medical needs, with the military and other advanced learning technologies. There has also been a push to work more collaboratively with the North Carolina Marine Sciences group. The students participating with the Innovation lab are able to interact with great simulation programs around the country, including the military and ECU has students receiving patents and national accolades for their work.

SGA President and other SGA members met with Dr. Ross, who made a great contribution to the dental school. Brad Congleton shared his experiences from that meeting.

Meeting Adjourned at 3:21pm
FOOTBALL

• A swarming defense and a big-play offense helped first-year head coach Ruffin McNeill close his initial spring practice period during the Pirates’ Purple-Gold Game at Dowdy-Ficklen Stadium April 17. ECU's passing attack produced a 40-of-71, 354-yard and three touchdown performance from quarterbacks Brad Wornick, Rio Johnson and Josh Jordan, while a surging and blitzing defense was credited with 11 sacks and forced two turnovers.

• A total of three Pirates were selected in the 2010 NFL Draft during the weekend of April 22-25, marking the 16th multiple selection year in program history and the highest number of ECU picks since the NFL went to a seven-round format in 1994. Only the 1984 (8), 1992 (5) and 1990 (4) drafts have produced more selections in Pirate history. East Carolina has had at least one player chosen in the last five consecutive years and in 16 of the past 21 drafts.

• Defensive tackle Linval Joseph, who elected to forego his final year of collegiate eligibility to pursue a professional career, was drafted by the New York Giants with the 14th pick in the second round (46th overall). With his selection, Joseph matched former Pirate linebacker Jody Schulz, who was also a 46th overall pick in 1983, as ECU's second-highest defensive draft choice ever behind 1992 first-round selection Robert Jones. He also became the first Pirate defender chosen since end Rod Coleman was picked by the Oakland Raiders in the fifth round in 1999.

• Matt Dodge became the first East Carolina punter ever selected in the NFL Draft when the New York Giants chose the Pirate All-America performer with the 14th pick (221st overall) of the seventh round.

• End C.J. Wilson became the second ECU defensive lineman, and third overall, selected in the 2010 NFL Draft after the Green Bay Packers chose the four-year starter and two-time All-Conference USA performer with the 23rd pick (230th overall) of the seventh round.

• Running back Dominique Lindsay (Tennessee Titans), defensive tackle Jay Ross (New Orleans Saints) and defensive tackle Kwaku Danso (Cleveland Browns) all signed undrafted free agent contracts and participated in their respective organization’s mini-camps during the late spring.

• Senior inside wide receiver Dwayne Harris was named Rivals.com's 88th-best player in collegiate football according to June 6 release by the website. Five Rivals.com writers selected the top 100 college players in the country based on what players had accomplished and their potential for the 2010 season.

• Season ticket sales for the 2010 campaign raced past the 20,000 milestone in mid-June for the fourth consecutive year, setting the stage for possible new attendance standards at an expanded Dowdy-Ficklen Stadium this fall. With a 7,000-seat endzone construction project nearing a close that will increase the stadium's capacity to 50,000 in time for the 2010 campaign, the Pirates will be in a position to push their turnstile count to unmatched levels under McNeill. East Carolina enjoyed sell-out crowds for all six regular season contests a year ago, standing 14th among all FBS programs with a 100.44 capacity percentage. In addition to topping all Conference USA members in attendance average for the past two championship-winning campaigns, the Pirates also stood third nationally among all Bowl Championship Series non-automatic qualifiers in 2009 - trailing only BYU (64,236) and Utah (45,155).

• Former East Carolina assistant football coach Thomas "Rock" Roggeman died June 14 in Chapel Hill after a year-long battle with non-Hodgkin's lymphoma. He was 47 years old. Roggeman, who joined former head coach Skip Holtz’ staff at East Carolina in December, 2004, was in his fifth overall season as an assistant coach and third heading the program's defensive tackles before officially departing the program last Sept. 28 - two days after the Pirates’ 19-14 victory over UCF. He tutored a total of eight All-Conference USA selections and three league all-freshman team choices during his tenure with the Pirates, which also included a run of four consecutive bowl appearances and back-to-back league championships.

BASEBALL

• ECU closed out the 2010 season with a 32-27 overall record and an 11-13 Conference USA slate.

• The Pirates’ run of 29 consecutive weeks in the national polls ended April 26.

• Head Coach Billy Godwin moved into third place on the school’s all-time wins list with the Pirates’ 9-7 victory against in-state rival UNC Wilmington April 27. Godwin currently owns a 193-117 (.622) slate at ECU and a career record of 456-202 (.693).

• Junior Seth Maness became the second Pirate (Greg Bunn/2004) to be named C-USA Pitcher-of-the-Year with his selection in 2010. He also took home first-team All-Conference USA honors for the third time in his career after finishing the season with a 10-3 record, which ranked second in the league. Maness was also named to the C-USA All-Tournament Team.

• Senior Kyle Roller was tabbed first-team All-Conference USA for the second-straight season after ranking among the national leaders in walks (61), on-base percentage (.529) and hit by pitches (22).

• Junior Zach Woods was named C-USA Newcomer-of-the-Year, which marked the third consecutive season a Pirate walked away with the award (Justin Bristow/2008 and Chris Heston/2009). He also took home second-team
all-conference honors after leading the league in strikeouts (103) and ranking among ERA leaders (4.50), opposing batting average (.265), strikeouts looking (39), innings pitched (90.0) and wins (8).
• Corey Thompson was tabbed second-team all-league after leading the Pirates in average (.377), at-bats (228), runs (61), hits (86), RBI (54) and total bases (132). The sophomore infielder, who started all 58 games played, also ranked seventh in average and 10th in hits in C-USA.
• Juniors Devin Harris (Mar. 22) and Woods (April 5) were named Louisville Slugger National Players-of-the-Week.
• Thompson (March 1), Cam Freeman (March 8) and Dustin Harrington (March 30) garnered Conference USA Hitter-of-the-Week honors, while Woods (April 5), Kevin Brandt (April 12) and Maness (May 3) took home C-USA Pitcher-of-the-Week accolades.
• Roller (April 13) and Woods (April 6) were named to College Baseball Foundation National All-Star Team for their performances.
• Four players were taken in the 2010 Major League Baseball June Amateur Draft – Roller (N.Y. Yankees/8th round), Harrington (Chicago Cubs/34th round), Maness (Florida Marlins/41st round) and Harris (San Francisco Giants/48th round). A pair of incoming freshmen were also selected in the draft - Jack Reinheimer (Atlanta Braves/31st round) and Austin Chrismon (Houston Astros/32nd round). As of June 23, Harrington, Harris and Roller all signed professional contracts.
• Junior Austin Homan was the eight recipient of the Honorary No. 23 jersey, which was worn by the late ECU Head Coach Keith LeClair. Homan was one of four captains on the 2010 team.
• Sophomore Zach Wright set a school record with three grand slams during the season, belting round trippers against N.C. A&T, N.C. Central and Elon. He finished the season with a career-high and team-best 13 homers, which also ranked ninth in C-USA.
• For 11th consecutive season, the Pirates ranked among the NCAA leaders in total home attendance in 2010 as they ushered in 113,699 fans through the ticket lines – standing 15th nationally. ECU averaged 3,248 fans per contest, ranking among the top 20 (16th) for the sixth-straight season. On Feb. 19 against No. 2 Virginia, the Pirates set a new opening day record with a crowd of 5,012 - marking just the eighth time in school history they reached the 5,000-plus mark. A total of 5,136 fans were on hand to watch East Carolina defeat the Cavaliers 6-2 the following day.
• Senior Jared Avchen and Wright were named to the 2010 Coleman Company Johnny Bench Award Watch List during the season (an award given annually to the nation’s top collegiate catcher). Since 2006, when former Pirate Jake Smith captured the honor, ECU has had four players on the initial watch list (Smith/2006, Corey Kemp/2008, Avchen/2009-10 and Wright/2010).
• Avchen was named to the CoSIDA/ESPN the Magazine Academic All-District First-Team in May. The senior catcher finished with a perfect 4.0 grade-point average in business. In addition, he also was named to the C-USA All-Academic squad along with Maness.

BASKETBALL (MEN)
• East Carolina inked two players to National Letters-of-Intent during the late signing period - Robert Sampson (Atlanta, Ga.) and Tony Smith (Greenville, N.C.). Sampson is the son of legendary Virginia and NBA player Ralph Sampson, while Smith is a former J.H. Rose High School letterman. Smith spent the past two seasons playing at Seward County (Kan.) College.
• Coach Jeff Lebo added Tim Craft and Ken Potosnak as assistant coaches, and Kyle Robinson as director of basketball operations. Craft and Potosnak were both on Lebo’s coaching staff at Auburn last season, while Robinson served as director of operations at the College of Charleston each of the last three years. Michael Perry was retained as an assistant coach from the previous staff.

• Macy put together a strong staff which includes former Lady Pirate standout Shay Hayes. She also hired Ann Hancock, Fred Applin and Carol Sciaretta. Hancock served as the head coach of the UNC Wilmington women’s basketball program the last 10 seasons, while Applin spent the last three campaigns as an assistant coach at Pac-10 member Washington. Sciaretta assumes the director of basketball operations position after two seasons with Macy at Francis Marion.
ECU will welcome guard Katie Paschal (Williamston, N.C.) and forward Alan Beroth (Pfafftown, N.C.) as the newest members of the squad when the 2010-11 season commences in November. Paschal scored 3,160 points during her prep career and now ranks second all-time in North Carolina high school women’s basketball history.

Macy has been selected to speak at the GA/Lina Sports Group Coaching Clinic (Evans, Ga.) in July as well as the Nike Coaches Clinic (Cleveland, Ohio) in October. She will serve as a featured speaker at both events along with other top coaches in Steve Wojciechowski (Duke University), Mark Fox (University of Georgia) and Mike Curry (Philadelphia 76ers).
