Public Service Fellows Program Overview
The Public Service Fellows (PSF) Program began in 2014 with support from the State Employees Credit Union (SECU) Foundation. Since its inception 60 undergraduate students have completed internships with 44 organizations located in 13 North Carolina counties. The goal of the program is to foster workplace experiences for undergraduates at ECU while helping rural communities build professional capacity to address public issues.

Starting in 2018, up to 20 students will be chosen each year for SECU Public Fellow Internships (PFI). PFI participants will participate in 20 hours of leadership and professional development workshops in addition to the 330-hour PSF internship experience. Each student selected for the program receives a stipend of $4,600.

Position Summary
The PFI will have the opportunity to work as the assistant to the Tournament Director, and concentrate in event management, including set-up and take down of a weeklong “festival”, management of 40+ volunteers, work in conjunction with caterers, vendors, and displaying sponsors. Post-event, the PFI will create surveys for participants and vendors. They will also assist in storing the event until next year.

Internship Location & Supervisor Information
Pirate’s Cove Billfish Tournaments, Inc. is a NC non-profit and 501-C pending approval. Our goals are to professionally execute two offshore fishing tournaments that will continue to define competitive sport fishing on the east coast and being new participants to Oregon Inlet. Both events work in conjunction, but maintain separate budgets to provide the highest donations to their respective charitable foundations.

Pirate’s Cove Billfish Tournaments, Inc. is located at 107 Becks Court, Manteo, NC 27954. The PFI will report directly to Heather Maxwell, Tournament Director.

Desired Knowledge, Skills, Abilities
Applicants should have knowledge of customer service for many diverse constituents, organizational skills, ability to use Facebook, Instagram, Snapchat, Word, and Excel are vital, ability to work well in a fast-paced environment, can multitask, demonstrate excellent written and verbal communication skills, maintain confidentiality, demonstrate time management skills, and work collaboratively in a diverse, team-based environment.

Start & End Dates
Start: May 15th, 2018
End: August 31st, 2018

Majors Targeted
Any.

Application Process
Applicants must complete a PFI application and submit a resume to be considered. Applications are available at http://www.ecu.edu/cs-admin/communityengagement/.

All students selected for the PFI program must have undergraduate status and meet the following eligibility requirements by the internship start date:

- North Carolina resident
- 3.0 GPA or higher in major field of study
- Completion of at least 60 semester credit hours

East Carolina University is an affirmative action, equal opportunity employer and as such encourages applications from qualified women and minorities.

Individuals requesting accommodation under the Americans with Disabilities Act Amendments Act (ADAAA) should contact the Department for Disability Support Services at 252.737.1016 (voice/TTY).

Federal law requires proper documentation of identity and employability at the time of employment.
Research and Project Development Intern

Public Service Fellows Program Overview
The Public Service Fellows (PSF) Program began in 2014 with support from the State Employees Credit Union (SECU) Foundation. Since its inception 60 undergraduate students have completed internships with 44 organizations located in 13 North Carolina counties. The goal of the program is to foster workplace experiences for undergraduates at ECU while helping rural communities build professional capacity to address public issues.

Starting in 2018, up to 20 students will be chosen each year for **SECU Public Fellow Internships (PFI)**. PFI participants will participate in 20 hours of leadership and professional development workshops in addition to the 330-hour PSF internship experience. Each student selected for the program receives a stipend of $4,600.

Position Summary
The PFI intern will be responsible for researching relevant information on Pitt County Community Centered Health, pathways connectors to community level work, and diabetes prevention strategies as well as communicating with stakeholders including community members, clinicians and other partnerships in Pitt County about progress of project and next steps. The student will also help to align the health department with other partnerships such as the Pitt County Farm and Food Council and the Healthy People, Healthy Carolinians Grant.

Internship Location & Supervisor Information
The mission of the Pitt County Health Department is to protect, promote, and assure the health of all people in Pitt County. A number of services are provided to achieve this mission. The health department provides clinical services, along with community services. Health Department staff partner with the schools, local community groups, businesses, and other health care providers throughout the community to develop community based health improvement initiatives such as infant mortality reduction, breastfeeding promotion, chronic disease risk reduction and health promotion programs.

Pitt County Health Department is located at 201 Government Circle Greenville, NC 27834.

The student will report directly to Robin Tant, MPA, RD, LDN.

Desired Knowledge, Skills, Abilities
Knowledge and skills related to public health, disease prevention and nutrition; Organizational skills; Relationship building and community engagement; Knowledge of research and design; Ability to create presentations based on research and knowledge gained; Excellent communication skills (both written and oral); Ability to work independently and with teams; Technical skills with Microsoft Office and other electronic programs; Preferred: Experience with group facilitation; Experience with health related presentations, data collection and research; Program development.

Start & End Dates
May 14, 2018 through August 31, 2018

Majors Targeted
Prefer majors in the area of public health, health education, nutrition or another related field.

Application Process
Applicants must complete a PFI application and submit a resume to be considered. Applications are available at [http://www.ecu.edu/cs-admin/communityengagement/](http://www.ecu.edu/cs-admin/communityengagement/).

All students selected for the PFI program must have undergraduate status and meet the following eligibility requirements by the internship start date:

- North Carolina resident
- 3.0 GPA or higher in major field of study
- Completion of at least 60 semester credit hours

East Carolina University is an affirmative action, equal opportunity employer and as such encourages applications from qualified women and minorities.

Individuals requesting accommodation under the Americans with Disabilities Act Amendments Act (ADAAA) should contact the Department for Disability Support Services at 252.737.1016 (voice/TTY).

Federal law requires proper documentation of identity and employability at the time of employment.
Public Service Fellows Program Overview
The Public Service Fellows (PSF) Program began in 2014 with support from the State Employees Credit Union (SECU) Foundation. Since its inception 60 undergraduate students have completed internships with 44 organizations located in 13 North Carolina counties. The goal of the program is to foster workplace experiences for undergraduates at ECU while helping rural communities build professional capacity to address public issues.

Starting in 2017, up to 20 students will be chosen each year for SECU Public Fellow Internships (PFI). PFI participants will participate in 20 hours of leadership and professional development workshops in addition to the 330-hour PSF internship experience. Each student selected for the program receives a stipend of $4,200.

Position Summary
The Pocosin Arts School of Fine Craft PFI will provide intensive support for the Fabrication Laboratory. The PFI would be the Fab Lab Studio Manager. Responsibilities include assisting in identifying equipment and materials needed to equip the Fab Lab, helping develop the curriculum for Early College and youth classes, maintaining equipment, ensuring availability of supplies and assisting visiting instructors.

Internship Location & Supervisor Information
The Pocosin Arts School of Fine Craft offers hands on craft workshops and classes for all ages in clay, metals, painting, mixed media, wood and more. Our youth programs are grant supported and cater to our local participants. Our adult workshops cater to participants from across the US who come to participate in our four-day workshops led by some of the very best instructors in the various craft fields. Besides providing cultural and craft opportunities to our community we also serve as an economic driver in our small town. The Pocosin Arts School of Fine Craft is located at 201 Main Street, Columbia, NC. The PFI will report directly to Marlene True, Executive Director.

Desired Knowledge, Skills, Abilities
The intern should have an interest in advanced production technology and its application in a creative environment. Knowledge of computer assisted design software and equipment such as laser cutters, vinyl cutters, and CNC routers would be helpful, but training will be available. We would also like the intern to be able to work in a fast-paced environment, multi-task, demonstrate excellent written and verbal communication skills, maintain confidentiality, demonstrate time management skills, and work collaboratively in a diverse, team-based environment.

Start & End Dates
Start: June 2018
End: August 2018

Majors Targeted
Engineering, Business, Art, Arts Education

Application Process
Applicants must complete a PFI application and submit a resume to be considered. Applications are available at http://www.ecu.edu/cs-admin/communityengagement/.

Position Summary
Sylvan Heights Bird Park hosts one week of summer camp as well as several day long programs every summer for children ages 4-10. For middle school students, we host two summer sessions of Soaring into Science STEM camp, each session lasting two weeks. The Park also plays host to many outside groups as a field trip destination. Over 7,000 students from across the state participate in educational programs at Sylvan Heights with the peak of students visiting between March and July. The Summer Educational Program PFI will assist in developing, teaching and evaluating summer day camps; daily set-up and breakdown for camp activities as well as educational programs for field trips; overseeing before and after camp care for ages 4-10; and assisting with daily educational programs as needed. Within the middle school program, the intern will assist students with the use of iPads for research and to locate their study area on satellite imagery using GPS to identify habitats, biomes and the global regions of interest, develop and test hypothesis using the scientific method, prepare presentations summarizing their conclusions. The individual will also supervise high school volunteers assisting with summer day camps. A typical work week will run Monday-Friday, 8:00am-5:00pm, with weekend or evening work as needed.

Internship Location & Supervisor Information
Sylvan Heights Bird Park seeks to advance conservation of waterfowl and wetlands, to act as a local educational resource for avian biology and wetlands ecology, and to serve as an international center for avicultural training and research.

Sylvan Heights Bird Park is located at 500 Sylvan Heights Parkway, Scotland Neck, NC. The PFI will report directly to Dustin Foote, Assistant Curator and Research Coordinator.

Desired Knowledge, Skills, Abilities
Applicants should have experience teaching or leading groups, enjoy working with children, be comfortable handling a variety of animals including birds and reptiles, must work outside, ability to lift up to 50 pounds, ability to work well in a fast-paced environment, can multi-task, demonstrate excellent written and verbal communication skills, maintain confidentiality, demonstrate time management skills, and work collaboratively in a diverse, team-based environment.

Start & End Dates
Start: May, 2018
End: August, 2018

Majors Targeted
Education, Science, Mathematics.

Application Process
Applicants must complete a PFI application and submit a resume to be considered. Applications are available at http://www.ecu.edu/cs-admin/communityengagement/.

Behavior Technician Internship

Public Service Fellows Program Overview
The Public Service Fellows (PSF) Program began in 2014 with support from the State Employees Credit Union (SECU) Foundation. Since its inception 60 undergraduate students have completed internships with 40 organizations located in 13 North Carolina counties. The goal of the program is to foster workplace experiences for undergraduates at ECU while helping rural communities build professional capacity to address public issues.

Starting in 2018, up to 20 students will be chosen each year for SECU Public Fellow Internships (PFI). PFI participants will participate in 20 hours of leadership and professional development workshops in addition to the 330-hour PSF internship experience. Each student selected for the program receives a stipend of $4,600.

Position Summary
The PFI will provide one on one direct applied behavior analysis therapy to children and youth diagnosed with Autism Spectrum Disorder. Duties will include implementing behavior protocols aimed at reducing inappropriate behavior, providing input on and assessment of efficacy of clinical treatment plans, assisting in caregiver training, helping increase client social and community competencies and daily living skills, collecting behavioral data, and graphing session data. This internship can provide an individual with critical skills needed for career advancement.

Internship Location & Supervisor Information
Aces for Autism, Inc. is a nonprofit organization committed to providing high quality, evidence-based therapeutic and educational services to children with Autism Spectrum Disorder. Aces provides doctor recommended Applied Behavior Analysis (ABA) therapy under the clinical supervision of a board-certified behavior analyst.

Aces for Autism defines leaders as individuals that possess the skills to encourage others to do their best and motivate others to develop to their full capacity. By enforcing the mission and values of Aces for Autism, the PFI will have personal and community experiences to develop leadership skills by advocating for the inclusion and least restrictive environment for children with autism.

Aces is located at 101 West 14th Street, Greenville. The PFI will report directly to Jessica Garcia, BCBA, Clinical Director at Aces for Autism.

Desired Knowledge, Skills, Abilities
Applicants should be able to understand basic behavior modification techniques, possess patience and positive attitude, act as a role model for children, follow therapeutic protocol, have excellent written and verbal communication skills, maintain confidentiality, demonstrate time management skills, and work collaboratively in a diverse work environment.

Start & End Dates

Since its inception 60 undergraduate students have completed internships with 44 organizations located in 13 North Carolina counties. The goal of the program is to foster workplace experiences for undergraduates at ECU while helping rural communities build professional capacity to address public issues.

Starting in 2018, up to 20 students will be chosen each year for SECU Public Fellow Internships (PFI). PFI participants will participate in 20 hours of leadership and professional development workshops in addition to the 330-hour PSF internship experience. Each student selected for the program receives a stipend of $4,600.

Position Summary

The intern will work with the Executive Director and Social Media Coordinator to develop a marketing and community engagement strategy to reach underserved and minority populations with information and participation in arts and cultural events and opportunities. Requirements will include meetings with the AOP team each week, work in the theater, outreach to the community to gather feedback on programming and solicit ideas for programming, attendance at identified events during the week and some weekend events to gather input, development of a marketing plan (print and web based).

Internship Location & Supervisor Information

The Arts of the Pamlico (AOP) is the state designated arts council serving Beaufort and Washington counties. AOP includes three art galleries and a 432 restored palace style theatre, art workshop space, catering kitchen and spaces for event and art exhibit rentals, community events and more. AOP anchors 9 art galleries in the Harbor District.

Arts of the Pamlico is located at 150 West Main Street Historic Turnage Theatre, Washington, NC 27889.

The student will report directly to Debra Torrence, Executive Director.

Desired Knowledge, Skills, Abilities

Interest in marketing creative industry, word processing skills, good oral and communication skills

Start & End Dates

August 22nd to December 15th, 2018

Majors Targeted

Theatre or Business

Application Process

Applicants must complete a PFI application and submit a resume to be considered. Applications are available at http://www.ecu.edu/cs-admin/communityengagement/.

All students selected for the PFI program must have undergraduate status and meet the following eligibility requirements by the internship start date:

- North Carolina resident
- 3.0 GPA or higher in major field of study
- Completion of at least 60 semester credit hours

East Carolina University is an affirmative action, equal opportunity employer and as such encourages applications from qualified women and minorities.

Individuals requesting accommodation under the Americans with Disabilities Act Amendments Act (ADAAA) should contact the Department for Disability Support Services at 252.737.1016 (voice/TTY).

Federal law requires proper documentation of identity and employability at the time of employment.
Public Service Fellows Program Overview
The Public Service Fellows (PSF) Program began in 2014 with support from the State Employees Credit Union (SECU) Foundation. Since its inception 60 undergraduate students have completed internships with 40 organizations located in 13 North Carolina counties. The goal of the program is to foster workplace experiences for undergraduates at ECU while helping rural communities build professional capacity to address public issues.

Starting in 2018, up to 20 students will be chosen each year for SECU Public Fellow Internships (PFI). PFI participants will participate in 20 hours of leadership and professional development workshops in addition to the 330-hour PSF internship experience. Each student selected for the program receives a stipend of $4,600.

Position Summary
The major initiative that the PFI would take part in would be to work collaboratively with a team of Club leaders to develop a recognition program for our youth. Work would be completed during regular business hours with an occasional weekend or evening activity. The student would help to develop a strategy to increase the average daily attendance in each of the Clubs. The student would look at different aspects of youth attendance at the Club and use this research to help develop a program that would attractively promote attendance to the youth. Other aspects of this program that would be examined are the incentives to the youth and how long it would take to achieve the goal set in front of them. The projected outcome would be the development and roll out of CLUB 105 for the Boys & Girls Clubs of the Coastal Plain.

Internship Location & Supervisor Information
Boys & Girls Clubs of the Coastal Plain (BGCCP) is a part of a nationwide affiliation of local, autonomous organizations with Boys & Girls Clubs of America. BGCCP works to help youth of all backgrounds develop the qualities necessary to become responsible productive citizens and community leaders. The Club offers daily access to a wide range of programming in five core areas: 1) Character and Leadership, 2) Education and Career Development, 3) Health and Life Skills, 4) The Arts and 5) Sports, Fitness and Recreation. All programs are designed to drive positive outcomes for our youth while reinforcing key life skills. BGCCP is located at 621 West Firetower Road in Winterville, NC. The PFI will report directly to Julie Cary, Vice President of Program Initiatives.

Desired Knowledge, Skills, Abilities
Applicants should be able to use their organizational and creative skills to help develop strategies for youth in the Club, demonstrate excellent verbal and written communication skills, enjoy working with youth of all ages and be able to work collaboratively in a diverse, team-based environment.

Start & End Dates
Start: May 15th or June 1st, 2017
End: mid-August 2017

Majors Targeted
Education, Business, Marketing, Counseling, and Recreation.

Application Process
Applicants must complete a PFI application and submit a resume to be considered. Applications are available at http://www.ecu.edu/cs-admin/communityengagement/.

All students selected for the PFI program must have undergraduate status and meet the following eligibility requirements by the internship start date:

Each student selected for the program receives a stipend of $4,600.

Position Summary
The PFI student will be responsible for developing a minority business guide for the City of Greenville. This guide will include all minority and woman-owned businesses within Greenville, and act as both a marketing tool for the firms and valuable information resource for the community.

Internship Location & Supervisor Information
The City of Greenville is the local governing body for the citizens of Greenville, NC. We provide all major services and directives for the citizens located within city limits and ETJ.

The City of Greenville is located at 201 W 5th Street Greenville, NC. The student will report directly to Ferdinand Rouse.

Desired Knowledge, Skills, Abilities
The intern will be proficient in Microsoft Office Suite and be able to communicate well both written and orally. The student should also be well organized, prompt, and self-motivated.

Start & End Dates
May 15, 2018 through August 31, 2018

Majors Targeted
Business, Sociology, Political Science or Entrepreneurship

Application Process
Applicants must complete a PFI application and submit a resume to be considered. Applications are available at http://www.ecu.edu/cs-admin/communityengagement/.

Public Service Fellows Program Overview
The Public Service Fellows (PSF) Program began in 2014 with support from the State Employees Credit Union (SECU) Foundation. Since its inception 60 undergraduate students have completed internships with 40 organizations located in 13 North Carolina counties. The goal of the program is to foster workplace experiences for undergraduates at ECU while helping rural communities build professional capacity to address public issues.

Starting in 2017, up to 20 students will be chosen each year for SECU Public Fellow Internships (PFI). PFI participants will participate in 20 hours of leadership and professional development workshops in addition to the 330-hour PSF internship experience. Each student selected for the program receives a stipend of $4,600.

Position Summary
The main initiative the PFI would undertake would be learning the skills and being trained as an effective environmental educator. The student will be asked to complete an online course in the principles of interpretation, provided by the Aquarium and will also attend trainings on animal handling, customer service, and climate change communication. Training is hands-on and the student will be working and learning alongside full-time Aquarium educators. The PFI would gain experience presenting a variety of educational programs for Aquarium visitors and the general public. This position will present live animal programs, feedings, and dive shows, and engage with visitors at our on-the-floor interpretative exhibits such as bald eagle, shark and invertebrate touch pools, and Loggerhead sea turtle. As part of the Education team, the student will be responsible for answering visitor inquiries, assisting with animal care, and working with a mentor to develop an Aquarium project.

Internship Location & Supervisor Information
The mission of the NC Aquariums is to inspire appreciation and conservation of our aquatic environments. The Aquarium is open year-round and employs 50 permanent and 25 temporary staff. We care for 2,573 individual animals making up a total of 267 different species. The long-term health and sustainability of animals in the wild and in our care is a top priority for the North Carolina Aquarium at Fort Fisher. The Aquarium was established in 1976, and after closing for a major renovation that tripled the size, Fort Fisher Aquarium reopened in 2002. With an annual visitation of over 475,000 people, both locals and tourists benefit from innovative and quality exhibits and educational programs about our North Carolina aquatic environments.

The Aquarium is located at 900 Loggerhead Road, Kure Beach, NC. The PFI would be supervised by Marissa Blackburn.

Desired Knowledge, Skills, Abilities
Applicants should be comfortable interacting and communicating with large audiences of adults and children, flexible in a variety of teaching situations, open to learning how to handle live animals including snakes, desire to learn scientific information and convey this information to the public, ability to work within a team, and satisfactory time management skills.

Start & End Dates
Start: May 15th or June 1st, 2017
End: mid-August 2017

Majors Targeted

Application Process
Applicants must complete a PFI application and submit a resume to be considered. Applications are available at http://www.ecu.edu/cs-admin/communityengagement/.

All students selected for the PFI program must have undergraduate status and meet the following eligibility requirements by the internship start date:

PFI participants will participate in 20 hours of leadership and professional development workshops in addition to the 330-hour PSF internship experience. Each student selected for the program receives a stipend of $4,600.

Position Summary
As part of the Education team, the PFI will use public programming within the Aquarium to inspire appreciation and conservation of North Carolina’s aquatic waterways. The intern will have a vital role in educating the public about our aquatic habitats and how the public can actively help in their protection. Throughout the internship, the intern will learn animal handling skills, public speaking techniques, customer service skills, content management system software skills, and engage with a variety of visitors of differing ages, backgrounds, and interest levels. The intern will work up to 40 hours a week which will include one weekend day along with the occasional evening. Through their presentations and their research into various subjects, they will learn more about the marine and freshwater ecosystems in North Carolina as well as the animals that live there.

Internship Location & Supervisor Information
The North Carolina Aquarium on Roanoke Island was originally founded in 1976 as the North Carolina Marine Resources Center, along with our sister facilities at Pine Knoll Shores and Fort Fisher. In 1986, the three facilities were renamed the North Carolina Aquariums. Located on the Outer Banks, three miles north of Manteo on Roanoke Island, the Aquarium is an educational attraction focused on “inspiring appreciation and conservation of North Carolina’s aquatic environments.” The Aquarium is accredited by the Association of Zoos and Aquariums (AZA) and in 2015 was awarded the AZA Quarter Century Award for maintaining accreditation continuously for 25 years or more. The PFI will be directly supervised by Paul Mazzei.

Desired Knowledge, Skills, Abilities
Applicants should be comfortable interacting and communicating with large audiences of adults and children, flexible in a variety of teaching situations, open to learning how to handle live animals including snakes and spiders, desire to learn scientific information and convey this information to the public, ability to work within a team, and satisfactory time management skills.

Start & End Dates
Start: June 1st, 2018
End: mid-August 2018

Majors Targeted

PFI participants will participate in 20 hours of leadership and professional development workshops in addition to the 330-hour PSF internship experience. Each student selected for the program receives a stipend of $4,600.

Position Summary
The PFI student will work with Coastal Federation Staff to apply research analytical and professional writing skills to timely coastal management issues. In addition, the intern will participate in several field experiences such as planning a “living shoreline”, bagging oyster shells for coastal habitat, or building a rain garden to reduce polluted storm water runoff. The intern will be responsible for conducting and analyzing research with developing and disseminating coastal management positions.

Internship Location & Supervisor Information
The North Carolina Coastal Federation is a member supported 501© 3 that is focused on protecting and restoring the North Carolina coast by collaborating with and engaging with people from all walks of life who are committed to preserving the coast for current and future generations.

The North Carolina Coastal Federation is located at 3609 NC 24 Newport(Ocean), NC 28570. The PFI will work with Ana Zivanovic-Nenadovic.

Desired Knowledge, Skills, Abilities
Research and public policy skills, potential GIS and land use planning, project management, Microsoft Office proficiency. Critical thinking, strong writing skills, time management, and ability to work with short deadlines.

Start & End Dates
May 2018 through August 2018

Majors Targeted
Conservation management, conservation science, communication, environmental management, and planning. However, others are welcome to apply as well.

Application Process
Applicants must complete a PFI application and submit a resume to be considered. Applications are available at http://www.ecu.edu/cs-admin/communityengagement/.
