

Fee Payment Schedule & Tuition and Fee Schedule

**GREENVILLE
NORTH CAROLINA**

*IT IS RECOMMENDED THAT YOU
RETAIN AND FOLLOW THIS SCHEDULE*

Residence Classification Notice to Students

Your current residence classification, for purposes of applicable tuition rates, is required to be changed if, since original establishment of your current classification, your state of legal residence has changed.

If you currently are classified as a non-resident for tuition purposes, it is your right to petition for a change in classification to that of resident if you claim that you are now and, for at least the 12-month period immediately preceding the date of such petition, have been a legal resident for tuition purposes of North Carolina. If it is determined that in fact you have been a legal resident for the required 12-month period, the effective date of change in applicable tuition rates shall be the beginning of the academic term next following the date of application for tuition change, provided, that a change in billing rate may be made retroactive to the beginning of an academic term during which application was made if the 12-month period is found to have been satisfied the beginning of that term.

(2) If you currently are classified as a resident for tuition purposes, it is your obligation to petition for a change in classification to that of a non-resident if you have reasonable basis for believing that change in facts requires such a change in classification. Failure to fulfill this obligation may result in appropriate disciplinary action including, but not necessarily limited to, cancellation of enrollment. If it is determined that in fact you have become a non-resident, the effective date of change in applicable tuition rates shall be the next semester or term following the date of change in facts which required the change in classification, unless you are eligible to continue paying the resident rate for the 12-month grace period.

Copies of the applicable North Carolina Law and institutional regulations which govern such classification determinations are available in Joyner Library for inspection. The Residence Manual may also be viewed online at <http://www.ecu.edu/cs-acad/registratr/residency.cfm>. Students are responsible for being familiar with the contents of these two sources of regulations.

East Carolina University is a publicly supported institution. Tuition payments and other required student fees meet only a part of the total cost of the education of students enrolled. On the average, for a full-time student enrolled in an institution of The University of North Carolina, the State of North Carolina appropriated \$12,897.00 per year in public funds to support the educational programs offered.

The University of North Carolina Board of Governors adopted a plan to make tuition and fee rates for undergraduate North Carolinians predictable and affordable. Pursuant to the Plan, the maximum rate of annual increase for campus-initiated tuition and general fees (Athletics, Health Services, Student Activities, and Educational and Technology Fees) for undergraduate resident students is 6.5%. Specific information, including maximum allowable increase in tuition and fees per academic year by UNC campus is available at http://intranet.northcarolina.edu/docs/finance/reports/6.5_increase_3years.pdf.

Students and parents can also find detailed information concerning the total cost of college at www.cfncc.org.

30,000 copies of this public document were printed at a cost of \$1,607.55 or \$0.054 per copy. FIN-00065 (7/08) Printed on Recycled Paper
