- September 14 – September 20, 2011 (16-20 consecutive class days) tuition and required fees will be refunded at 25% minus a \$25 non-refundable processing fee;
- Beginning September 21, 2011 (21st consecutive class day) refunds will not be considered. If a student wishes to appeal, the process must be initiated in writing to the Tuition Refund Appeals Committee.

All refunds will be subject to the above noted time limitations and will be based on the difference between the amount paid and the charge for the block of hours for which the student is officially registered.

**POLICY EXCEPTION:** There will be no refunds available on special course fees after the first week of classes (five class days starting with the first official day of classes for the University).

## **Residence Classification Notice to Students**

Your current residence classification, for purposes of applicable tuition rates, is required to be changed if, since original establishment of your current classification, your state of legal residence has changed.

(1) If you currently are classified as a non-resident for tuition purposes, it is your right to petition for a change in classification to that of resident if you claim that you are now and, for at least the 12-month period immediately preceding the date of such petition, have been a legal resident for tuition purposes of North Carolina. If it is determined that in fact you have been a legal resident for the required 12-month period, the effective date of change in applicable tuition rates shall be the beginning of the academic term next following the date of application for tuition change, provided, that a change in billing rate may be made retroactive to the beginning of an academic term during which application was made if the 12-month period is found to have been satisfied the beginning of that term.

(2) If you currently are classified as a resident for tuition purposes, it is your obligation to petition for a change in classification to that of a non-resident if you have reasonable basis for believing that change in facts requires such a change in classification. Failure to fulfill this obligation may result in appropriate disciplinary action including, but not necessarily limited to, cancellation of enrollment. If it is determined that in fact you have become a non-resident, the effective date of change in applicable tuition rates shall be the next semester or term following the date of change in facts which required the change in classification, unless you are eligible to continue paying the resident rate for the 12-month grace period.

Copies of the applicable North Carolina Law and institutional regulations which govern such classification determinations are available in Joyner Library for inspection. The Residence Manual may also be viewed online at <http://www.ecu.edu/cs-acad/registrar/residency.cfm>. Students are responsible for being familiar with the contents of these two sources of regulations.

***East Carolina University is a publicly supported institution. Tuition payments and other required student fees meet only a part of the total cost of the education of students enrolled. On average, for each full-time student enrolled in an institution of The University of North Carolina, the State of North Carolina appropriated \$12,868 per year in public funds to support the educational programs offered.***

***The University of North Carolina Board of Governors adopted a plan to make tuition and fee rates for undergraduate North Carolinians predictable and affordable. Pursuant to the Plan, the maximum rate of annual increase for campus-initiated tuition and general fees (Athletics, Health Services, Student Activities, and Educational and Technology Fees) for undergraduate resident students is 6.5 %. Specific information, including maximum allowable increases in tuition and fees per academic year by UNC campuses is available at [www.northcarolina.edu/finance](http://www.northcarolina.edu/finance).***

***Tuition and fee rates included in this bill are based on rates approved by the Board of Governors in February 2011. G.S. 116-11(7) requires that the Board of Governors set tuition and required fees at the institutions, not inconsistent with actions of the General Assembly.***

***Students and parents can also find detailed information concerning the total cost of college by visiting the College Affordability Estimator at***
