INSTRUCTIONS FOR WEARING YOUR ACADEMIC HOOD

1. Drape the hood around your neck with the largest portion hanging down your back

2. Fold the velvet under on the lower back to show the colors of your College or University

3. Hook the cord in the front to the button inside the gown; so the hood isn’t too tight

4. Hook the cord in the back to the button on the back to prevent the hood from falling off your shoulders
