DOCTORAL CANDIDACY EXAMINATION REPORT

Directions: Please complete this form for any students who have taken the Doctoral Candidacy Exam. Submit the original to Katrinal Searcey, Research & Graduate Studies, Grody 2W-33k, who will turn in and forward copies to the appropriate officers.

Program: Interdisciplinary Program in Biological Sciences

On \_\_\_\_\_, \_\_\_\_\_  
(date) (Student's Name) (Banner Number)

completed the written and oral portions of the Doctoral Candidacy Exam. The student's advisory committee has determined that:

\_\_\_\_\_ The responses are satisfactory, and the student is recommended to candidacy to the doctorate.

\_\_\_\_\_ Some responses are unsatisfactory, and the student is to be re-examined at a specific time. Subjects and time are to be set by the dissertation committee.

\_\_\_\_\_ The responses are unsatisfactory, but a full re-examination will be administered during the subsequent semester.

\_\_\_\_\_ The responses are unsatisfactory, and termination of the program is recommended.
