- Optional Excursions

COST PER PARTICIPANT = $2,800

➢ Students will encounter a reality in Cuba unlike anything they have experienced. In this context, students participate in cultural events, including Cuba’s cinema, dance, music, theater, and sports events. Field trips take place almost every day and provide concrete illustrations of the topics discussed in the daily lessons. Home stays provide students with a unique opportunity to learn firsthand from Cuban families while also improving their Spanish.
