

Russian Arts Workshops

Earn CEU credit in reading or your arts area

Explore the music, castings, masks, puppetry, paintings and history of Russian fine and folk art. East Carolina offers a workshop featuring student-engaging content designed to address the learning styles of special needs students and enhance reading skills in your classroom.

We sent our professors to Russia to collect a plethora of examples you can use to integrate exciting multicultural materials into your lessons. Use the arts to enhance reading skills and easily reach special needs students.
