Information Obtained from Assessment Measures:
(Academic Year 2017-2018)

4.1 Assessment Tools for the BS CMGT Degree Objectives

4.1.1 Students should be academically high achieving.
   a. Measure: Average SAT and GPA of Lower Level CMGT courses each semester

4.1.2 Students should have members of under-represented groups.
   a. Measure: Percentages of underrepresented groups each academic year

4.1.3 Provide a curriculum and educational experience relevant to a career in construction management with expert instruction that results in a high level of student learning.
   a. ACCE accreditation every six years
   b. Student Learning Outcome assessments
      a. Direct Student Learning Outcome assessments through projects, assignments, and exams of Capstone, Project Management, and other courses - measured each semester by faculty
   c. Number of Department students participating in competition teams annually
   d. Number of courses with hands on experiments and/or demonstration of crafts work annually
   e. Number of courses that effectively integrate technology to enhance the learning annually
   f. Number of construction jobsite visits each semester
   g. Graduating seniors exit survey each semester
      a. Results
   h. One and four year alumni survey annually
   i. Employer survey annually

4.1.4 Provide diverse career opportunities for students
   a. Measure: Percentage of placement rate within three months after graduation
   b. Measure: Percentage of students complete an internship
   c. Measure: Diversity of companies attending the career fair

4.1.5 Provide graduates for the construction industry
   a. Measure: Upper division enrollment
   b. Measure: Number of Fall and Spring graduates.

Faculty and the Assessment Committee have met and reviewed all assessment measures, making additions, deletions, and alterations as needed.

Five SLOs (SLOs 3, 5, 8, 10, 11) were reviewed by the Assessment Committee, Faculty members, and the designated Industry Advisory Board Mentors to verify effectiveness of learning and assessment in the designated addressed classes. Adjustments have been made to classes to reflect the needed corrections.

Each class SLO that is assessed addresses Actions Taken, Results, Analysis of Results, and Actions Planned for the Next Reporting Semester. This review provides more continual updating of class activities that require improvement.

Classes noted as being Not Assessed were due to circumstances of faculty illness or a death in the Faculty family. Assessment documentation was not able to be submitted.
