East Carolina University

ASSISTANT PROFESSOR - DEPARTMENT OF COMPUTER SCIENCE
Vacancy #: 940691  
Salary Range: Commensurate with Qualifications  
Closing Date: Open Until Filled

The Department of Computer Science at East Carolina University invites applications for a tenure-track faculty position at assistant professor level, to begin in August 2016.

The Computer Science department has ten tenured or tenure-track positions and also employs fixed-term and adjunct instructors. Current areas of research in the department include software engineering, data management, artificial intelligence, machine learning, information retrieval, and programming languages.

The successful candidate will be expected to teach undergraduate and graduate courses in computer science, mentor diverse students, develop collaborative research, establish an externally funded research program, and publish scholarly work.

Additional details about the position, including the job description, qualifications, and instructions for submitting application materials may be found by accessing this link: https://ecu.peopleadmin.com/applicants/Central?quickFind=80535

Applicants must complete a candidate profile online via the PeopleAdmin system and submit the documents requested in order to be considered for the position.

East Carolina University is an Equal Opportunity/Affirmative Action Employer.
