Friends in Certaldo – Scholarship

The FIC Scholarship will be granted to one or more students on the Italy Intensive Study Abroad program who demonstrate exceptional merit and promise. The awards will be made, helping support students on the Semester long ECU Italy Intensives Study Abroad programs. The awards will be based on both merit and financial need.

The FIC Scholarship is granted by the members of the local community of Certaldo to acknowledge their gratitude towards the achievements of international understanding and mutual growth carried out through the Italy Intensives program. The recipients are expected to embrace the study abroad experience of community and creative exchange, and, following the semester abroad, to share their experiences with others, through creative work – and as ambassadors of the program.

The grants will help pay a portion of the cost of the lodging and meals during the semester of study in Italy. The amount the student pays to ECU for the total program cost will be reduced by the amount of the scholarship grant. The amount of the grant awards will be dependent upon the number of students selected. Awards may range from $500.00 to $1500.00 dollars each.

The awards will be determined by the selection committee of Certaldo.
