ARTISTS, COMPOSERS & ENSEMBLES

The NC NewMusic Initiative is propelled by ideas-in-sound, and driven by artists exploring as-yet unheard associations, enticing soundscapes, and compelling musical worlds. These composers and performers tempt us to follow new musical roadways, opening up sonic vistas on all sides.

They come to us from around the country, our invitation prompted by their passion and excellence—in imagination and execution—and their desire to work with our students—those who will follow and lay new tracks. Each year we welcome their arrival, ready for new perspectives.

WE JUST HAVE TO LISTEN.
