

Lesson Title: Multicultural Cinderella

Type of Lesson: Multicultural

Age Range: 9-12 grade

Length of Time: 45 minutes

Materials: costume pieces, Cinderella versions, art supplies

National Objective: #3 The student will design and produce theatre by conceptualizing and realizing artistic interpretation for informal or formal productions.

Specific Goal: The student will learn about different cultures and work with a group to rehearse and perform the story.

Social Skills Goal: The student will demonstrate respect for other cultures. The student will demonstrate cooperative skills and participate fully in the activity.

Procedures: Students are divided up into groups of three or four and each given a multicultural version of Cinderella to read and act out for the class. One student will narrate while the others use costume pieces and props they created to tell the story. End with a discussion of other cultures and the connections with their own lives.

Method of Evaluation: If the student contributed by reading the story, acting it out and participating in discussion, they have successfully completed the activity.
