Are you Linked In??

Researchers and academicians are joining LinkedIn to increase their visibility, network with other researchers, and attract industry to their research. To take full advantage of LinkedIn, your profile needs to be accessible and easily searchable, approachable, have an ‘elevator pitch’, and include some bragging on your best work. Some tips to strengthen your proposal can be found on Impactstory.

Five questions with…

Dr. Stacey Meardon from Physical Therapy is spotlighted in the Five questions with… on the Office of Research website for the month of November. Learn more about Dr. Meardon’s research and what she likes about working at ECU!

Highlights

• Congratulations Emma Lattner! She received an Undergraduate Research and Creative Active Award. Emma will be working with Dr. Sonja Bareiss in Physical Therapy on her project.

• Congratulations Sarah Lisson! Sarah is a senior in Nutrition Science and she received an Undergraduate Research and Creative Active Award. She will be working with Dr. Virginia Carraway-Stage in Nutrition Science on her project.

• Congratulations Shannon Bolyard! Shannon is a junior in Nutrition Science and she received an Undergraduate Research and Creative Active Award. She will be working with Dr. Virginia Carraway-Stage in Nutrition Science on her project.

• Student Travel Awards are available from the Office of Research. The deadline for Spring semester requests is February 15, 2016.
