The Hub is coming!!

Our College has joined with the College of Nursing to establish the CON-CAHS Research Administrative Hub. The purpose of the Hub is to provide expertise and support in pre-award and post-award for faculty in CON and CAHS as the diversity of our grant portfolio and funding continues to increase. Once fully staffed, the Hub will include 3 Grants Administrators – 1 pre-award specialist and 2 post-award specialists. Two positions are filled and hope to have the 3rd position filled by mid-March.

Stay tuned for more Information and Updates on the Hub
