**Subject:** Gateway to Funding Resources update

Since the last update, there haven't been many changes. However, please continue to review the Biotechnology Center's [Gateway to Funding Resources](#) and funding opportunities through the American Recovery and Reinvestment Act (ARRA). I encourage you to subscribe to ListServes and Funding Alerts tied to your projects, as well as search for relevant grant opportunities.

### **What's new on the Gateway?**

#### *News/Updates*

- Conferences/Webinars/Workshops
  - 12<sup>th</sup> Annual [NIH SBIR/STTR conference](#) to be held at the Raleigh Convention Center June 2-3, 2010.
- Funding Announcements
  - **Opportunities recently added:** NC IDEA Spring Grant, NIH Support for Conferences and Scientific Meetings, FDA Small Scientific Conference Program
  - Do you need additional funding? Search funding databases and sites (ie NSF, grants.gov, etc) for available funding opportunities that are tailored to your needs! It's also important to set up your own funding alerts/notifications.

#### *ARRA/Stimulus*

- Information regarding the [ARRA/Stimulus Funds](#) is now available on its own page within the Gateway to Funding Resources web site.
  - NC Recovery Competitive Grants available at <http://ncrecovery.gov/Forms/GrantsForm.aspx>.
  - Remember to check out [www.recovery.gov](http://www.recovery.gov) for more information regarding federal stimulus money.

#### *Proposal Writing Assistance*

- In addition to the Biotechnology Center's grant writing tips, the Center also provides [narrated slides](#) from our grant writing workshops.

Please let me know if you have any questions!

Sincerely,

Amber
