**APPLICANT GATEWAY ACTIVITIES**

**SUPPLEMENTAL APPLICATION**
- **Residency Confirmation:** North Carolina residency for tuition purposes is governed by NC state law. In the first section of your supplemental application, you must complete the residency process with the Residency Determination Service (RDS) at www.ncresidency.org. You will receive a Residency Certification Number (RCN) that must be entered onto your supplemental application. If you do not wish to apply as a NC resident, please do not continue with the application process as the application fee is non-refundable.
- **Background Information:** There are campus safety questions which must be completed. Your “yes” answer to any of them will not necessarily preclude your being admitted; however, your failure to provide complete, accurate, and truthful information will be grounds to deny or withdraw your admission, or dismiss you after enrollment. In addition to these questions, you must promptly notify the Admissions Office in writing of any criminal charge, any disposition of a criminal charge, or any school, college, or university disciplinary action against you, or any type of military discharge other than an honorable discharge that occurs at any time after you submit your application. In keeping with AAMC recommendation, criminal background checks are required of all accepted applicants.
- **Supplemental Essay:** Please complete this section using the prompt given. Your essay should be limited to 300-500 words and it is recommended that you not copy and paste your AMCAS application essay.
- **Application Fee:** A non-refundable $70 application fee is required and payable in your supplemental application activity. If you were granted the AMCAS fee waiver in the current cycle, your application fee will be automatically waived at the end of your supplemental application process.
