Students wishing to apply for admission to the professional program for August (Fall semester):

A. Students must be able to complete all of the following science pre-requisites prior to the Fall Semester.

   - Biology - BIOL 1150, 1151
   - Principles of Human Anatomy & Physiology - BIOL 2130
     (may substitute BIOL 2140, 2141, 2150, 2151 is also pre-PA)
   - Microbiology - BIOL 2110, 2111 or 3220, 3221
   - General Chemistry - CHEM 1150, 1151, 1160, 1161
   - Quantitative & Instrumental Analysis - CHEM 2250, 2251
     OR Biological Chemistry - CHEM 2770, 2771*
   - Organic Chemistry - CHEM 2650, 2651*
   - Statistics – PSYC 2101 (BIOS 1500, Math 2228 or MATH 2283 may be substituted)

* The Organic Chemistry I & II sequence may be substituted - CHEM 2750, 2753, 2760, 2763.

B. A minimum cumulative 2.0 GPA in biology and chemistry courses and overall 2.0 GPA is required for admission into the professional phase of the curriculum.

C. Students who have completed all of their academic preparation seven or more years before admission must update their science pre-requisites by completing a course in Biochemistry or its equivalent with a grade of "C" or better.

D. It is desirable, but not required that all General Education requirements be completed prior to entry into the professional phase. Students should consult the ECU Undergraduate Catalog for these courses.

All application materials MUST be received on or before February 1. (Additional applicants will be considered after this date if class is not full.) A completed application includes the following:

A. Department of Clinical Lab Science application form.
B. One letter of recommendation from a science professor (Chemistry or Biology). (May use standardized form.)
C. A written statement describing your concept of the profession of Clinical Laboratory Science.
D. If not currently enrolled at ECU, transcripts of grades for all courses taken at institutions other than ECU.

Admission will be on a competitive basis. Applicants will be evaluated based on the following criteria:

A. Grade point average in science courses.
B. Interview. The interview will be conducted by at least 2 faculty members in the Department. Students will be questioned on their knowledge and perception of the profession, and their own professional goals within the profession. Interviewers will attempt to ascertain the extent of student’s motivation and interest in the profession as well as maturity and sense of responsibility. Interviews will be scheduled during February and early March. You will receive a letter indicating the day and time of your scheduled interview. If the scheduled day and time is inconvenient, we will be happy to reschedule at a mutually convenient time.
C. Schools attended / residence. Preference will be given to ECU students / in-state residents.
D. Previous laboratory experience, if any.
E. Letters of Recommendation

Students will be notified by mail prior to pre-registration for Fall Semester.

Please mail application materials to: College of Allied Health Sciences, Department of Clinical Laboratory Science, Health Sciences Building 3410, Mail Stop 668
East Carolina University, Greenville, NC 27858-4353

Applications can also be hand-delivered to the Department of Clinical Laboratory Science at Health Sciences Building 3410
APPLICATION FOR ADMISSION TO THE PROFESSIONAL PROGRAM OR A CLSC MINOR
Department of Clinical Laboratory Science
EAST CAROLINA UNIVERSITY • COLLEGE OF ALLIED HEALTH SCIENCES

PERSONAL INFORMATION

ECU ID Number __________________________ Year you wish to be admitted __________________________

****WRITTEN STATEMENT****
On a separate sheet, please describe your concept of the profession of Clinical Laboratory Science.

For MLTs ONLY

If you are an MLT/CLT, please check here □ What MLT program did you graduate from? _____________________________________________

How long have you worked as a MLT/CLT? _______ years + _______ months

In what areas of the clinical lab have you worked? ________________________________________________________________________________

Where do you currently work? ________________________________________________________________________________________________

Do you plan to take the CLSC courses □ full-time □ part-time

Do you have ASCP or NCA certification? □ yes □ no

I understand that the College of Allied Health Sciences cannot make any decision regarding my application until this application and other supporting material have been received. If I have courses in progress during the spring semester, I understand that if I am accepted into the program that the acceptance is conditional upon satisfactory completion of these courses.

I understand that the College of Allied Health will rely upon the information submitted herein to determine my status for admission and residency eligibility. I certify that the information in this application is complete and correct and understand that the submission of false information is grounds for rejection of my application, withdrawal of any offer of acceptance, cancellation of enrollment, or appropriate disciplinary action.

If there are circumstances that may have an influence on your admission, which you would like for those reviewing your application to know about, please describe on a separate sheet and attach.

Signature of Applicant

All application materials must be returned to the College of Allied Health Sciences postmarked no later than **February 1.**

College of Allied Health Sciences Dept. of Clinical Laboratory Science, Health Sciences Building 3410, East Carolina University, Greenville, NC, 27858
All pre-requisite courses should be completed prior to entering CLSC professional program in the fall semester. It is desirable, but not required, that all General Education requirements be completed prior to entry into the professional phase. (See East Carolina University’s Undergraduate Bulletin for the general education and pre-requisite requirements.) Students must have a 2.0 grade point average in pre-requisite courses as well as an overall 2.0 grade point average to be eligible for admission. The admission process is competitive; it is to the candidate’s advantage to have a higher grade point average.
